

PATRIOT SUPER BANTAM 450 BUSHMASTER

[Firearms](#) > [Rifles](#) > [Bolt Action](#)

A Downsized Bolt-Action Rifle for Small-Statured Hunters

With 450 Bushmaster fast-becoming the hunting cartridge of choice for many whitetail-deer hunters, it's critical to have a platform available for small-statured shooters so everyone, from young to old, can get into the big-bore game. The Mossberg Patriot Super Bantam in 450 Bushmaster is sized right to provide youth hunters and women with a rifle for their next whitetail hunt. Each Mossberg Patriot in 450 Bushmaster is constructed with a button-rifled barrel for unparalleled accuracy, and the longer barrel compared to other 450 Bushmaster rifles on the market ensures a complete powder burn, so you get the most out of each shot. The barrel is also built with a recessed target crown that's protected from dings in the field, and its design will also aid in placing precise shots. Barrel length: 20 inches Overall length: 40.25 inches Weight: 6.5 pounds Ships with one 3-round magazine The Mossberg Patriot in 450 Bushmaster is also constructed to provide hunters with an ergonomic, easily concealed rifle platform that's built for the woods. The Kuiu-camo finish provides concealment, and the ergonomic, spiral-fluted bolt is designed to allow for quick reloads and fast follow-up shots.

Safety Instruction Guide for Mossberg Patriot Super Bantam 450 Bushmaster

Introduction

Thank you for choosing the Mossberg Patriot Super Bantam 450 Bushmaster. This guide provides essential safety instructions to ensure the safe use, handling, and maintenance of your rifle. It is important to read and understand these guidelines to minimize risks and enhance your shooting experience.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Always point the firearm in a safe direction.
- Be aware of your target and what is beyond it.
- Store your firearm securely and out of reach of children.
- Use only the recommended ammunition as specified in the product manual.
- Wear appropriate eye and ear protection while shooting.
- Regularly inspect your firearm for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure the safety mechanism is engaged when not in use.
- Avoid using the firearm in wet or damp conditions unless specifically designed for such use.
- Do not modify your firearm in any way that could compromise its safety or performance.
- Always use a proper shooting rest or support to stabilize the rifle when shooting.
- Be cautious of the surrounding environment and ensure that no one is in the line of fire.
- If you experience a misfire, wait at least 30 seconds before attempting to clear the chamber.
- Do not use the firearm if you are under the influence of alcohol, drugs, or any substances that could impair your judgment.

Instructions for Installation and Usage

1. Installation of Accessories:

- Follow the manufacturer's instructions for any accessories or attachments.
- Ensure that all components are securely fastened before use.

2. Loading the Rifle:

- Open the bolt and visually inspect the chamber to ensure it is clear.
- Insert the 3round magazine into the magazine well until it clicks into place.
- Pull back the bolt handle and release it to chamber a round.

3. Shooting:

- Assume a stable shooting position.
- Align your sights on the target.
- Take a deep breath, and gently squeeze the trigger to fire.

4. Unloading the Rifle:

- Point the firearm in a safe direction.
- Open the bolt to eject any chambered round.
- Remove the magazine and ensure the chamber is empty.

5. Cleaning and Maintenance:

- Regularly clean your rifle according to the manufacturer's recommendations.
- Use appropriate cleaning materials to avoid damaging the firearm.
- Store your firearm in a cool, dry place when not in use.

Disposal Instructions

- Dispose of any unused or expired ammunition according to local regulations.
- If the firearm is no longer in use or functional, contact a licensed firearms dealer for proper disposal.
- Do not throw firearms or ammunition in regular trash.

Contact Information for Further Support

For any safety inquiries or further assistance regarding your Mossberg Patriot Super Bantam 450 Bushmaster, please reach out to your local Mossberg dealer or authorized service center. Ensure you have the product details at hand for efficient support.

By following these safety instructions, you will help ensure a safe and enjoyable experience with your Mossberg Patriot Super Bantam 450 Bushmaster. Always prioritize safety and responsible firearm handling.
