[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The Magpul Pro 700L Rifle Chassis is an uncompromising, full featured precision rifle chassis for long action Remington 700 and Remington 700-footprint rifles. The Pro 700L combines innovative engineering, precision machining, Mil-Spec quality finishes, and an extensive list of purposeful design features with complete adjustability to provide demanding end users with the most comprehensive available precision rifle platform solution for true out of the box performance. Based on a full billet aluminum skeleton and clad in Magpul polymer for environmental comfort, noise mitigation, and ergonomics, the Pro 700L is also fully ambidextrous. Capable of fitting both right and left-handed actions with the simple swap of a bolt-cutout plate, and with a reversible cheek riser and reversible hinge on the folding version, "lefties" haven't been "left out." # REMINGTON 700 LONG ACTION STOCKS MAGPUL PRO 700L FOLDING STOCK SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Magpul Pro 700L Folding Stock for your Remington 700 Long Action rifle. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use and maintain your product safely.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure you are familiar with the operation of your firearm and the Magpul Pro 700L Folding Stock before use.
- Keep the stock and firearm away from children and unauthorized users.
- Regularly inspect your stock and firearm for any signs of damage or wear.
- Always use appropriate safety gear, such as eye and ear protection, when handling firearms.
- Follow all local laws and regulations regarding firearm use and storage.
- In case of any malfunction or failure, stop using the product immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Ensure the stock is properly installed before use. An improperly fitted stock can affect firearm performance and safety.
- When adjusting the stock, make sure to do so in a safe environment, away from other people.
- Be cautious when using tools for adjustments. Use the correct size tools to avoid damaging components.
- When using the ambidextrous features, ensure that all components are securely fastened to prevent accidental movement during use.
- Be aware of the adjustable features, such as buttpad height and comb height, and ensure they are set to your personal comfort and safety preferences.
- Never attempt to modify or alter the stock beyond the manufacturer's specifications.

## Instructions for Installation and Usage

### Installation

#### 1. Prepare Your Work Area:

- Ensure you have a clean, flat surface to work on.
- Gather necessary tools: a 1/8" hex wrench and any other tools recommended by the manufacturer.

#### 2. Remove the Existing Stock:

- Unload your firearm and ensure it is safe to handle.
- Follow the manufacturer's instructions to remove the existing stock from your Remington 700.

#### 3. Install the Magpul Pro 700L Folding Stock:

- Align the stock with the action of your rifle.
- Secure the stock using the provided screws and the 1/8" hex wrench.
- Ensure all fasteners are tight and the stock is securely attached.

## Usage

### 1. Adjusting Length of Pull (LOP):

- Adjust the LOP by moving the buttpad up or down within the specified range of 13.25" - 15.125".
- Ensure the adjustments are locked in place before use.

### 2. Adjusting Comb Height:

- Use the secondary locking knob to adjust the comb height within the 1" range.
- Make sure the adjustment is secure to prevent movement during use.

### 3. Using the Cheek Riser:

- Adjust the cheek riser to one of the three positions (+.375", 0", and .375").
- Ensure it is locked in place for stability.

### 4. Using the Grip:

- Choose between the standard grip or the additional aggressive grip option based on your comfort preference.
- Adjust the grip as needed for optimal control and comfort.

### 5. Folding Mechanism:

- To fold the stock, ensure the hinge is fully engaged.
- Always ensure the stock is in the locked position when in use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling components where possible, especially metal and polymer parts.

## Contact Information for Further Support

For further assistance or safety inquiries, please contact the manufacturer or a qualified dealer. Ensure you have all relevant product information ready for a more efficient response.

By following these guidelines, you can ensure a safer and more enjoyable experience with your Magpul Pro 700L Folding Stock. Always prioritize safety and compliance with local laws when using your firearm.
