

HISPEED II BACKPACK - EBERLESTOCK HISPEED II BLACK

[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Backpacks](#)

The X41 HiSpeed II has a unique contour shape that tapers at both the top and the bottom, giving the pack an excellent close-to-the-body ride. The pack is fully compressible with pairs of side-mounted compression straps that draw the load upward to optimally position the packs contents over the wearers center-of-gravity. The X41 has two generously sized form-following pockets on the exterior of the upper and lower front flaps. MOLLE-10 lightweight webbing is used, to which you can attach conventional 25mm MOLLE accessories. The interior features include a hydration sleeve (WX2L and WXP3L hydration systems sold separately), two document / laptop sleeves, a mesh zippered pocket, MOLLE compatible webbing, and a fold-away shelf that allows you to either segregate or combine the top and bottom interior load space. Built in 420 denier ripstop nylon. Comes with our polycarbonate Gossamer frame.

PRODUCT INFO Total Volume: 1,800 c.i. Weight: 5 lbs 8 oz Dimensions main bag: 22"h x 11"w x 7.5"d

HISPEED II BACKPACK SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the HISPEED II Backpack by Eberlestock. This guide provides essential safety instructions and guidelines to ensure safe use and proper handling of your backpack. Please read this document thoroughly before using the product.

General Safety Guidelines

- Ensure that the backpack is suitable for your intended use and that it meets your personal needs.
- Regularly inspect the backpack for any signs of wear or damage. Do not use if any components are compromised.
- Follow all usage instructions to avoid potential hazards.
- Keep the backpack away from fire and extreme heat sources.
- Store the backpack in a cool, dry place when not in use.
- Be aware of your surroundings while using the backpack to prevent accidents.

Specific Safety Precautions for Use

- **Weight Limit:** Do not exceed the recommended load capacity of 1,800 cubic inches. Overloading may cause strain or injury.
- **Hydration Sleeve:** Ensure that the hydration systems (WX2L and WXP3L) are properly secured and leakfree before use.
- **MOLLE Accessories:** Only use compatible 25mm MOLLE accessories. Improper attachments may affect the stability and safety of the backpack.
- **Children:** This product is not intended for use by children under the age of 12 without adult supervision. Ensure that children do not play with the backpack or its components.
- **Emergency Situations:** In case of an emergency, remove the backpack quickly to avoid injury.

Instructions for Installation and Usage

1. Adjusting Straps:

- Before wearing the backpack, adjust the shoulder straps and waist belt to fit comfortably.
- Ensure the load is evenly distributed for optimal balance.

2. Loading the Backpack:

- Place heavier items at the bottom of the backpack to maintain stability.
- Use the interior compartments and pockets to organize your items effectively.
- Secure all items within the backpack to prevent shifting during movement.

3. Using the Hydration Sleeve:

- Insert the hydration system into the designated sleeve.
- Ensure the hose is accessible and does not obstruct movement.

4. Using MOLLE Webbing:

- Attach MOLLE accessories securely to the webbing.
- Check that all attachments are firm and do not interfere with the use of the backpack.

5. Cleaning and Maintenance:

- Clean the backpack with a damp cloth and mild soap. Do not use harsh chemicals.
- Allow the backpack to air dry completely before storing.

Disposal Instructions

- When the backpack is no longer usable, dispose of it responsibly.
- Check local regulations for proper disposal of textile products.
- Consider donating if the backpack is still in good condition and usable.

Contact Information for Further Support

For any safety inquiries or concerns regarding your HISPEED II Backpack, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Enjoy your adventure with the HISPEED II Backpack!
