

SIDELOK UNIVERSAL SCOPE RISER - KINETIC DEVELOPMENT GROUP SIDELOK SHORT UNIVERSAL RISER BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

Don't you hate having to re-zero your optics every time you remove them? With the KDG SIDELOK mounting system, that's no longer a necessary part of your routine! Thanks to the unique, two-level system used on this mount, the SIDELOK secures onto any Picatinny optics rail without needing tools, levers or large knobs. This particular Short Riser model of the KDG SIDELOK mounting system is purpose-built for use with red-dot magnifiers, compact optics, red-dot sights and other small, rail-mounted accessories. Users can mount an optic, zero it, remove it and re-mount it while maintaining confidence in their optic's zero.

User Safety Instructions for the SIDELOK Universal Scope Riser

Introduction

Thank you for choosing the SIDELOK Universal Scope Riser by Kinetic Development Group. This product is designed to enhance your shooting experience by allowing you to securely mount and remount your optics without the need for rezeroing. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or adjusting the SIDELOK Universal Scope Riser.
- Inspect the riser and all mounting components for damage before use. Do not use if any part is damaged.
- Ensure that the riser is securely mounted before using your firearm.
- Keep the riser and all accessories out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Optic Compatibility:** Ensure that the optic you are using is compatible with the SIDELOK Universal Scope Riser.
- **Weight Limit:** Do not exceed the weight limit specified for the riser. Overloading may compromise safety and performance.
- **Environmental Conditions:** Avoid using the riser in extreme weather conditions that may affect its performance, such as heavy rain or snow.
- **Regular Maintenance:** Periodically check the mounting system for tightness and function. Retighten if necessary.
- **Use with Caution:** Be mindful of your surroundings and ensure that you are in a safe environment when using the firearm mounted with the riser.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded.
- Align the SIDELOK Universal Scope Riser with the Picatinny rail on your firearm.
- Slide the riser onto the rail until it is securely in place. You should hear a click when it locks.
- Doublecheck that the riser is firmly attached before proceeding.

2. Mounting the Optic:

- Place your optic onto the riser.
- Follow the manufacturer's instructions for securing the optic to the riser.
- Make sure all adjustments are tight and secure before use.

3. Zeroing the Optic:

- Once the optic is mounted, follow the appropriate procedures for zeroing your optic.
- After zeroing, you can remove the optic if necessary.

4. ReMounting the Optic:

- When remounting, simply slide the optic back onto the riser.
- Ensure that it is properly aligned and secure before using the firearm.

5. PostUse Care:

- After use, clean and inspect the riser and optic for any signs of wear or damage.
- Store the firearm and accessories in a safe location.

Disposal Instructions

- Dispose of the SIDELOK Universal Scope Riser in accordance with local regulations.
- Do not dispose of it in regular household waste. Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the SIDELOK Universal Scope Riser, please refer to the official Kinetic Development Group website or your local retailer for assistance.

Thank you for following these safety instructions. Enjoy your shooting experience with confidence and safety!
