

# 12-GAUGE LOW-DRAG HIGH VISIBILITY SHOTGUN FOLLOWERS - PHASE 5 TACTICAL LOW-DRAG HIGH VISIBILITY 12 GAUGE SHOTGUN FOLLOWER - GREEN

[Shotgun Parts](#) > [Magazine Tube Parts](#) > [Magazine Followers](#)

## Verify Clear With Sight and Feel

The 12GSF Low-Drag High-Visibility 12 Gauge Shotgun Follower from Phase 5 is a generic upgrade part that will promote reliable, smooth feeding without binding in many 12 gauge shotgun tube magazines and extension tubes. It's precision machined from extra-hard 7075 T6 aluminum bar stock (about 80% stronger than standard 6061 alloy) for a smooth, burr-free surface. The bright red, green or blue anodized finish, white lettering, and open center help you quickly identify visually or tactilely that the magazine is empty. Helps you quickly ID that magazine is empty Machined aluminum for durability & smooth operation Drop-in replacement for factory follower on many 12 ga shotguns (see Gun Tech Note below) Available in 3 eye-catching colors The Low-Drag High-Visibility Follower will fit most factory 12-gauge shotgun magazine tubes and extension tubes that DO NOT have spring/follower retention dimples. If your tube has dimples, you will need to remove them or replace the magazine tube in order to install the 12GSF. Phase 5's 12GSF Low-Drag High-Visibility Follower is a quick, simple upgrade that improves the safety and reliability of your 12 gauge shotgun. Brownells Gun Tech™ Note: The 12GSF is known to fit the following popular shotguns: Benelli M2 & M4, Mossberg 500 & 930, Remington 870, 1100 & 11-87, Keltec KSG (two required), Stoger M3000. Will not fit the Benelli Nova/SuperNova/Vinci/Super Vinci, Browning BPS & A5, CZ 612 & 712, FN SLP, Franchi 912 Variomax, Winchester SX2 & SX3.

# Safety Instruction Guide for 12GAUGE LOWDRAG HIGH VISIBILITY SHOTGUN FOLLOWERS

## Introduction

Thank you for choosing the 12GAUGE LOWDRAG HIGH VISIBILITY SHOTGUN FOLLOWER from Phase 5 Tactical. This product is designed to enhance the reliability and safety of your 12gauge shotgun. Please read this safety instruction guide carefully to ensure the safe use and installation of this product.

## General Safety Guidelines

- **Product Safety:** Ensure that the shotgun follower is used only with compatible 12gauge shotguns. Improper use may lead to malfunctions or safety hazards.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. Regularly check the EU Safety Gate platform for updates.
- **Online Shopping:** When purchasing online, ensure that you are buying from a reputable source that complies with safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Monitor the Safety Gate system for immediate updates on any unsafe products.

## Specific Safety Precautions for Use

- **Compatibility:** Verify that your shotgun's magazine tube does not have spring/follower retention dimples. If it does, modifications may be necessary for proper installation.
- **Inspection:** Before use, inspect the shotgun follower for any signs of damage or wear. Do not use if damaged.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which could lead to malfunctions.
- **Handling:** Always handle firearms with care. Ensure the shotgun is unloaded before attempting to install or modify any components.
- **Storage:** Store the shotgun and its components in a secure location, away from children and unauthorized users.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the shotgun is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (if required).

### 2. Installation:

- Remove the factory follower from the shotgun magazine tube.
- Clean the magazine tube to remove any debris or obstructions.
- Install the 12GSF LowDrag HighVisibility Follower into the magazine tube.
- Ensure that the follower moves freely within the tube without any binding.
- Reassemble the shotgun according to the manufacturer's instructions.

### 3. Usage:

- Load the shotgun with 12gauge ammunition as per the manufacturer's guidelines.

- Regularly check the follower's movement during use to ensure smooth operation.
- If the follower becomes stuck or does not operate correctly, stop using the shotgun immediately and inspect the follower and magazine tube.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations. If the product is damaged or no longer in use, it should be recycled or disposed of in a manner that does not harm the environment.
- Ensure that all components are disposed of safely, minimizing any risk to the environment or public safety.

## **Contact Information for Further Support**

For any questions or concerns regarding the use or safety of the 12GAUGE LOWDRAG HIGH VISIBILITY SHOTGUN FOLLOWER, please consult the retailer or manufacturer from whom you purchased the product. They will provide you with the necessary support and information.

Thank you for prioritizing safety and for choosing our product. Enjoy enhanced reliability and performance with your shotgun!
