Verify Clear With Sight and Feel

The 12GSF Low-Drag High-Visibility 12 Gauge Shotgun Follower from Phase 5 is a generic upgrade part that will promote reliable, smooth feeding without binding in many 12 gauge shotgun tube magazines and extension tubes. It's precision machined from extra-hard 7075 T6 aluminum bar stock (about 80% stronger than standard 6061 alloy) for a smooth, burr-free surface. The bright red, green or blue anodized finish, white lettering, and open center help you quickly identify visually or tactilely that the magazine is empty. Helps you quickly ID that magazine is empty Machined aluminum for durability & smooth operation Drop-in replacement for factory follower on many 12 ga shotguns (see Gun Tech Note below) Available in 3 eye-catching colors The Low-Drag High-Visibility Follower will fit most factory 12-gauge shotgun magazine tubes and extension tubes that DO NOT have spring/follower retention dimples. If your tube has dimples, you will need to remove them or replace the magazine tube in order to install the 12GSF. Phase 5's 12GSF Low-Drag High-Visibility Follower is a quick, simple upgrade that improves the safety and reliability of your 12 gauge shotgun. Brownells Gun Tech™ Note: The 12GSF is known to fit the following popular shotguns: Benelli M2 & M4, Mossberg 500 & 930, Remington 870, 1100 & 11-87, Keltec KSG (two required), Stoger M3000. Will not fit the Benelli Nova/SuperNova/Vinci/Super Vinci, Browning BPS & A5, CZ 612 & 712, FN SLP, Franchi 912 Variomax, Winchester SX2 & SX3.

Safety Instruction Guide for the 12Gauge LowDrag High Visibility Shotgun Followers

Introduction

Thank you for choosing the 12Gauge LowDrag High Visibility Shotgun Followers from Phase 5 Tactical. This product is designed to enhance the reliability and safety of your 12gauge shotgun. Please read this safety instruction guide carefully to ensure safe usage and proper installation.

General Safety Guidelines

- Ensure that the shotgun follower is compatible with your specific shotgun model before installation.
- Always handle firearms and firearm accessories responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the shotgun and its components for wear and damage before use.
- Report any unsafe products or accidents related to this product to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use the shotgun follower if it shows any signs of damage or wear.
- Ensure that the magazine tube and extension tubes do not have spring/follower retention dimples before installation.
- If your magazine tube has dimples, remove them or replace the tube to avoid improper fitting.
- Always ensure the shotgun is unloaded before performing any maintenance or installation.
- Use the shotgun follower only in compatible 12gauge shotguns as specified in the product description.
- Be aware of the bright colors of the follower for easy identification of an empty magazine.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your shotgun is completely unloaded.
- Gather necessary tools, if required, for the installation process.

2. Installation:

- Remove the existing factory follower from the magazine tube.
- Clean the magazine tube to ensure a smooth surface for the new follower.
- Insert the 12Gauge LowDrag High Visibility Shotgun Follower into the magazine tube.
- Ensure that it is seated properly and moves freely within the tube.

3. Usage:

- Load the shotgun according to the manufacturer's instructions.
- Monitor the follower during use to ensure proper function and feeding.
- After use, inspect the follower for any signs of wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum and firearm accessories.
- Do not dispose of the product in regular household waste.
- Consider recycling the aluminum material if facilities are available in your area.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the appropriate contact channels provided by the manufacturer or retailer. Always ensure you have the model information and any relevant details ready for efficient assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on proper handling and maintenance of firearm accessories. Enjoy your enhanced shooting experience with the 12Gauge LowDrag High Visibility Shotgun Followers from Phase 5 Tactical.
