22ARC Recoil Spring Safety Instructions

Introduction

Thank you for choosing the 22ARC Recoil Spring by CMMG. This safety instruction guide is designed to help you understand how to safely use and maintain your recoil spring. Please read this guide thoroughly to ensure safe handling and compliance with safety regulations.

General Safety Guidelines

- Ensure that all nonfood products, including recoil springs, are used safely according to the manufacturer's instructions.
- Be aware of potential risks associated with recoil springs, including improper installation and handling.
- If you purchase this product online, ensure that the seller complies with EU safety requirements.
- Extra precautions should be taken when using this product around children or vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check the EU's Safety Gate platform for updates on product recalls.

Specific Safety Precautions for Use

- Always inspect the recoil spring for any signs of damage or wear before use.
- Do not attempt to modify or alter the recoil spring in any way.
- Use only compatible components as specified by the manufacturer.
- Ensure that the firearm is unloaded before installing or handling the recoil spring.
- Wear appropriate safety gear, including eye protection, when handling firearms and related components.
- Keep the recoil spring and all related components out of reach of children and unauthorized users.
- Do not exceed the manufacturer's recommended specifications for use.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded and in a safe working environment.
- Gather all necessary tools and safety equipment before beginning the installation.

2. Installation:

- Remove the old recoil spring from the firearm following the manufacturer's instructions.
- Carefully install the 22ARC Recoil Spring into the firearm, ensuring it is seated properly.
- Doublecheck that all components are aligned and secure before reassembling the firearm.

3. Usage:

- After installation, perform a function check to ensure that the firearm operates correctly with the new recoil spring.
- Follow all standard safety procedures when using the firearm, including proper handling and storage practices.
- Regularly maintain the recoil spring and firearm according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of any damaged or worn recoil springs in accordance with local regulations.
- Do not dispose of recoil springs in regular household waste.

- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the 22ARC Recoil Spring, please refer to your retailer or manufacturer for assistance. It is crucial to have a reliable point of contact for safetyrelated questions and support.

By following these safety instructions, you can ensure the safe and effective use of your 22ARC Recoil Spring. Thank you for prioritizing safety.
