

BCMGUNFIGHTER QUICK DETACH SLING SWIVEL (HEAVY DUTY DESIGN) - BRAVO COMPANY BCMGUNFIGHTER QUICK DETACH SLING SWIVEL HEAVY DUTY DESIGN

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

'A Quick-Detach Sling Swivel Designed for Duty Us

The team at Bravo Company Manufacturing took a look at standard QD sling swivels on the market and decided they could be better. This led to the design of the BCM Gunfighter Quick Detach Sling Swivel, a heavy-duty design that's purpose-built to enhance your kit. One of the first elements you'll notice about the BCM Gunfighter Quick Detach Sling Swivel is the flush plunger, which prevents accidental release. The entire unit is made from carbon steel and features a durable manganese-phosphate finish. Each sling swivel is deburred and sandblasted before finishing, so there are no imperfections that'll tear away at your kit. The swivels are designed for 1.25-inch wide slings.

BCMGUNFIGHTER QUICK DETACH SLING SWIVEL

Safety Instruction Guide

Introduction

Thank you for choosing the BCMGUNFIGHTER Quick Detach Sling Swivel. This product is designed with safety and durability in mind. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you read and understand all safety instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the sling swivel for wear and damage before each use.
- Do not use the product if it shows signs of wear, damage, or malfunction.
- Always follow the manufacturer's instructions for installation and usage.

Specific Safety Precautions for Use

- The BCMGUNFIGHTER Quick Detach Sling Swivel is designed for use with 1.25inch wide slings only.
- Do not exceed the recommended load limits for the sling swivel to avoid failure.
- Ensure that the flush plunger is fully engaged before use to prevent accidental release.
- Avoid using the sling swivel in extreme conditions that may compromise its integrity.
- Do not modify the sling swivel in any way, as this may lead to unsafe conditions.

Instructions for Installation and Usage

1. Installation

- Locate the mounting point on your firearm where the sling swivel will be attached.
- Ensure the area is clean and free of debris before installation.
- Insert the BCMGUNFIGHTER Quick Detach Sling Swivel into the mounting point until it clicks into place.
- Test the attachment by gently pulling on the sling swivel to ensure it is securely fastened.

2. Usage

- Attach your 1.25inch wide sling to the swivel.
- Ensure the sling is properly secured and that the flush plunger is engaged.
- Adjust the sling as necessary for comfort and functionality.
- Regularly check the connection during use to ensure it remains secure.

Disposal Instructions

- When the BCMGUNFIGHTER Quick Detach Sling Swivel reaches the end of its life or is no longer needed, dispose of it in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, consider recycling options if available.

Contact Information for Further Support

For any safety inquiries or issues regarding the BCMGUNFIGHTER Quick Detach Sling Swivel, please contact the manufacturer directly or refer to the product packaging for additional information.

By following these guidelines, you can ensure the safe use of the BCMGUNFIGHTER Quick Detach Sling Swivel and enhance your overall experience. Thank you for your attention to safety.
