An Enhanced Bolt-Carrier Group for Your 7.62x39 AR

One of the issues with 7.62x39mm AR-15s is accommodating the size of the case head inside the receiver. Many manufacturers tend to just machine material from standard AR bolts, leading to a weakened structure that can fail far more quickly than purpose-built bolts. Faxon Firearms tackled this issue with its Type 1 Bolt Carrier Group, designed to give 7.62x39mm AR owners a bolt they can count on. Each Faxon Firearms bolt-carrier group comes complete with a bolt machined from 9310 tool steel, which is strengthened even further through a nitride-treatment process that increases surface hardness and maximizes wear-resistance. Each bolt is magnetic-particle-inspected before it leaves the factory to ensure that there are no defects or abnormalities within the bolt material. Other features found on the Faxon Firearms 7.62x39mm Type 1 Bolt-Carrier Group includes bolt lugs with a 45-degree chamfer, which provides reliability even with high-pressure handloads. The extractor on the bolt is machined from S7 tool steel and is sprung with a spring, O-ring and silicone insert. All bolts are heat-treated and shot-peened to military specifications.

Attributes

- Name: [FAXON FIREARMS 7.62X39MM TYPE 1 BOLT CARRIER GROUP FOR AR-15 NITRIDE BLACK](#)
- Manufacturer: [FAXON FIREARMS](#)

Safety Instruction Guide for AR15 7.62X39 Type 1 Bolt Carrier Group

Introduction

Thank you for choosing the Faxon Firearms AR15 7.62X39 Type 1 Bolt Carrier Group. This product is designed to provide reliable performance for your AR15 platform. Please read this safety instruction guide carefully to ensure safe use and maintenance of the product.

General Safety Guidelines

- Always treat this product as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the bolt carrier group in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and bolt carrier group for signs of wear or damage.
- Follow all local laws and regulations regarding firearms and ammunition.
- Ensure you are familiar with the operation of your firearm before use.

Specific Safety Precautions for Use

- Use only ammunition that is compatible with the 7.62x39mm specifications.
- Ensure that the bolt carrier group is properly installed before firing.
- Avoid using damaged or improperly maintained firearms.
- Do not attempt to modify the bolt carrier group or any other part of the firearm.
- Always wear appropriate eye and ear protection when using the firearm.
- Be cautious of the environment in which you are shooting; ensure a safe backdrop and that no people or animals are in the vicinity.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing bolt carrier group by pulling the charging handle to the rear and removing the rear takedown pin.
- Insert the Faxon Firearms 7.62x39 Type 1 Bolt Carrier Group into the upper receiver.
- Replace the rear takedown pin and ensure it is securely in place.
- Perform a function check to ensure proper operation before use.

2. Usage

- Load the firearm with compatible 7.62x39mm ammunition.
- Chamber a round by pulling the charging handle to the rear and releasing it.
- Aim at your target and ensure the firearm is ready for safe firing.
- After firing, ensure the firearm is clear before reloading or performing maintenance.

Disposal Instructions

- Dispose of the bolt carrier group in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For additional information or assistance, please refer to the manufacturer's website or contact your local dealer.

Conclusion

Your safety and the safety of others is of utmost importance. By following these guidelines, you can help ensure a safe and enjoyable experience with your Faxon Firearms AR15 7.62X39 Type 1 Bolt Carrier Group. Always stay informed about safety practices and product recalls. Thank you for your attention to safety.
