

# SPORT SHOOTING GLASSES - WALKERS GAME EAR SPORT SHOOTING GLASSES-AMBER

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Shooting Glasses](#)

## A Pair of Shooting Glasses Designed for Air Flow

Don't you hate it when your shooting glasses fog up right before you take that perfect shot? Walkers Sport Shooting Glasses are designed to provide improved air flow between your face and the lenses, so you won't have that foggy buildup that prevents you from shooting. The glasses are constructed from impact-resistant polycarbonate, and the lenses can be had in amber, yellow or clear options. Each pair of Walkers Sport Shooting Glasses are ANSI-approved and feature a ratcheting pitch-adjustment mechanism that allows you to get a perfect fit.

# Safety Instruction Guide for Walkers Sport Shooting Glasses Amber

## Introduction

Thank you for choosing Walkers Sport Shooting Glasses. These glasses are designed to enhance your shooting experience while ensuring your safety. This guide provides essential safety instructions, precautions, and information on proper usage to help you enjoy your product safely and effectively.

## General Safety Guidelines

- Always inspect your shooting glasses before use for any signs of damage or wear.
- Ensure that the lenses are clean and free from fog or obstructions.
- Use the glasses only for their intended purpose: shooting sports.
- Keep the glasses out of reach of children and pets when not in use.
- If you experience discomfort or vision issues while using the glasses, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- **Impact Resistance:** The lenses are made from impactresistant polycarbonate. However, avoid direct impact from hard objects to prevent lens damage.
- **Fog Prevention:** To reduce fogging, ensure proper air flow between your face and the lenses. Adjust the fit using the ratcheting pitchadjustment mechanism if necessary.
- **Lens Color:** Choose the appropriate lens color (amber, yellow, or clear) based on lighting conditions and your shooting environment.
- **Fit and Comfort:** Adjust the glasses for a secure and comfortable fit. An improper fit may lead to distractions or reduced visibility.

## Instructions for Installation and Usage

### 1. Adjusting the Fit:

- Hold the glasses by the frame.
- Use the ratcheting pitchadjustment mechanism to modify the angle of the lenses for optimal comfort and visibility.
- Ensure the glasses sit snugly on your face without pinching or causing discomfort.

### 2. Cleaning the Lenses:

- Use a soft, lintfree cloth to clean the lenses.
- Avoid using harsh chemicals or abrasive materials that may scratch or damage the lenses.

### 3. Storage:

- Store your glasses in a protective case when not in use to prevent scratches and damage.
- Keep the glasses in a cool, dry place away from direct sunlight and extreme temperatures.

## Disposal Instructions

- When the glasses reach the end of their life cycle or are no longer usable, dispose of them responsibly.
- Check with local regulations for proper disposal methods for plastic and polycarbonate materials.
- Do not dispose of the glasses in regular household waste if they can be recycled.

## **Contact Information for Further Support**

For safety inquiries or further assistance, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with Walkers Sport Shooting Glasses!
