

SPORT SHOOTING GLASSES - WALKERS GAME EAR SPORT SHOOTING GLASSES-YELLOW

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Shooting Glasses](#)

A Pair of Shooting Glasses Designed for Air Flow

Don't you hate it when your shooting glasses fog up right before you take that perfect shot? Walkers Sport Shooting Glasses are designed to provide improved air flow between your face and the lenses, so you won't have that foggy buildup that prevents you from shooting. The glasses are constructed from impact-resistant polycarbonate, and the lenses can be had in amber, yellow or clear options. Each pair of Walkers Sport Shooting Glasses are ANSI-approved and feature a ratcheting pitch-adjustment mechanism that allows you to get a perfect fit.

Safety Instruction Guide for Walkers Sport Shooting Glasses

Introduction

Thank you for choosing Walkers Sport Shooting Glasses. These glasses are designed to enhance your shooting experience by providing clear visibility and protection. To ensure your safety and the optimal performance of your glasses, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Always inspect the glasses before each use for any signs of damage or wear.
- Ensure that the glasses fit properly to avoid slippage during use.
- Use the glasses only for their intended purpose—protection during shooting activities.
- Keep the glasses out of reach of children to prevent accidental use or injury.
- Follow local laws and regulations regarding the use of shooting glasses.

Specific Safety Precautions for Use

- **Fogging Prevention:** To reduce fogging, ensure good airflow between your face and the lenses. Avoid covering the glasses with hats or other clothing.
- **Impact Resistance:** The lenses are made from impactresistant polycarbonate. However, do not expose them to extreme forces that could cause breakage.
- **Lens Care:** Clean the lenses with a soft cloth and lens cleaner. Avoid using harsh chemicals that may damage the lens coating.
- **Fit Adjustment:** Use the ratcheting pitchadjustment mechanism to achieve a comfortable and secure fit. Adjust as necessary for optimal positioning.

Instructions for Installation and Usage

1. Fitting the Glasses:

- Place the glasses on your face.
- Adjust the ratcheting pitchadjustment mechanism until the glasses sit comfortably and securely.

2. Using the Glasses:

- Ensure the lenses are free of obstructions before shooting.
- Always wear the glasses when engaging in any shooting activities.
- Be aware of your surroundings and ensure that other individuals are also wearing appropriate eye protection.

3. Maintenance:

- After each use, store the glasses in a protective case to prevent scratches and damage.
- Regularly inspect the condition of the glasses and replace if any damage is found.

Disposal Instructions

- Dispose of the glasses responsibly. If the glasses are damaged beyond repair, check with local recycling programs for guidance on disposal.
- Do not throw glasses in regular trash if they contain materials that can be recycled.

Contact Information for Further Support

For any inquiries regarding safety, usage, or maintenance of your Walkers Sport Shooting Glasses, please contact the manufacturer or your local retailer.

Conclusion

By following these safety instructions, you can ensure that your Walkers Sport Shooting Glasses provide the best protection and performance during your shooting activities. Always prioritize safety for yourself and those around you. Thank you for your attention and enjoy your shooting experience!
