A Set of Small-Sized Earmuffs for Women and Youth Shooters

For youth shooters heading to the field or the range, it's incredibly important to keep their hearing preserved and protected against gunshots, since early hearing loss can lead to a greater life impact down the road. To fit smaller-sized heads, Walkers introduced its Youth & Women's Folding Muffs, a passive design that features smaller earcups designed to effectively seal off the ears of smaller shooters for effective noise reduction. Each pair of Walkers Youth & Women's Folding Muffs provide 23 decibels of noise reduction, and a pair of pink earmuffs offer women shooters an added feminine touch they can incorporate into their shooting kit. The slim earcups won't get in the way of a solid cheek weld, and the padded design ensures that it's comfortable to wear all day long.

YOUTH & WOMEN'S FOLDING MUFFS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Youth & Women's Folding Muffs from Walkers Game Ear. These earmuffs are designed to protect the hearing of young shooters while providing comfort and style. This safety instruction guide is intended to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the earmuffs are worn correctly to provide maximum noise reduction.
- Always inspect the earmuffs for any signs of damage before each use.
- Keep the earmuffs clean and free from debris to maintain their effectiveness.
- Store the earmuffs in a cool, dry place when not in use.
- Follow all local laws and regulations regarding hearing protection when shooting.

Specific Safety Precautions for Use

- **Hearing Protection:** The earmuffs provide 23 decibels of noise reduction. Ensure they fit snugly over the ears to reduce noise exposure effectively.
- **Age Appropriateness:** These earmuffs are specifically designed for youth and women. Ensure they are fitted for smaller heads to avoid discomfort and ineffective noise reduction.
- **Comfort:** The padded design is meant for extended wear. If discomfort occurs, remove the earmuffs immediately.
- **Usage Environment:** Use earmuffs in shooting ranges or fields where gunshots are expected. Avoid using them in environments where they may not provide adequate protection.
- **Supervision:** Young users should be supervised by an adult while using the earmuffs in shooting scenarios.

Instructions for Installation and Usage

1. Fitting the Earmuffs:

- Hold the earmuffs by the headband.
- Position the earmuffs over the ears, ensuring that the earcups cover the entire ear.
- Adjust the headband to ensure a snug fit without excessive pressure.

2. Using the Earmuffs:

- Ensure that the earmuffs are worn before exposure to loud noises.
- Check for any gaps between the earmuffs and the head; adjust as necessary to ensure a proper seal.

3. PostUse Care:

- After use, gently wipe the earmuffs with a clean, dry cloth to remove moisture and dirt.
- Store the earmuffs in a protective case or bag to prevent damage.

Disposal Instructions

- When the earmuffs are no longer usable, dispose of them in accordance with local waste disposal regulations.
- Do not dispose of earmuffs in regular household waste if they are made of recyclable materials. Check local guidelines for proper recycling procedures.
