Safety Instruction Guide for AR Forward Assist with Hex Design

Introduction

Thank you for choosing the AR Forward Assist with Hex Design from Strike Industries. This product is designed to enhance the functionality of your AR15/M16 firearm. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the firearm is unloaded before performing any installation or maintenance.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling firearm components.
- Keep all tools and components out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure you are in a safe environment when using this product.
- Regularly inspect your firearm and its components for wear or damage.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- Only use this forward assist assembly with compatible AR15/M16 platforms.
- Do not attempt to modify or alter the forward assist assembly in any way.
- Ensure that the assembly is securely installed before using the firearm.
- If you notice any unusual operation or performance issues, cease use immediately and consult a qualified gunsmith.
- Keep the assembly clean and free of debris to ensure proper functioning.
- Avoid using excessive force when operating the forward assist.

Instructions for Installation and Usage

1. Required Tools:

- Punch tool
- Hammer
- Safety glasses
- Gloves

2. Installation Steps:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Remove the existing forward assist by driving out the roll pin with the punch tool and hammer.
- Carefully install the new forward assist assembly by aligning it with the receiver.
- Insert the roll pin through the assembly and the receiver, ensuring it is flush with the surface.
- Test the forward assist to ensure it operates smoothly.

3. Usage Instructions:

- When using the forward assist, apply gentle pressure to ensure proper engagement.
- After each use, clean the assembly and inspect it for any signs of wear or damage.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AR Forward Assist with Hex Design, please refer to the Strike Industries website or contact your local distributor for assistance.

Thank you for prioritizing safety and compliance when using your AR Forward Assist with Hex Design. Enjoy your enhanced firearm experience!
