

# SHOCK BUFFER FOR GLOCK® - STRIKE INDUSTRIES SHOCK BUFFER FOR GLOCK GEN 3

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Buffers](#)

The SI GSB is a polyester based thermoplastic polyurethane barrier that is uniquely designed to absorb recoil. The GSB was designed to increase durability between the areas of the metal slide and polymer frame while also decrease the amount of overall wear. The GSB is compatible with several models of Glock™ and comes in two degrees of hardness for the user's desire comfort level of recoil relief. The relief gained will also decrease the shock to your hands which prevents muscle fatigue and allows for more control for the next shot. It is engineered with a retaining design to ensure buffer will be secured on the slide and has added extra cushion knobs for extra buffer. Will NOT fit Gen 4 or Gen 5 Glocks

## Attributes

- Name: [STRIKE INDUSTRIES SHOCK BUFFER FOR GLOCK GEN 3](#)
- Manufacturer: [STRIKE INDUSTRIES](#)
- Product no.: 100037269
- Mfr. No.: SI-GSB
- Model: 17,19,22,23,31,32
- Weapon type: Glock
- Delivery weight: 0.006kg
- Shipping height: 6mm
- Shipping width: 108mm
- Shipping length: 152mm
- UPC: 700371178833

## Item details

US export classification: 0A501.x

# Safety Instruction Guide for SHOCK BUFFER FOR GLOCK® STRIKE INDUSTRIES SHOCK BUFFER FOR GLOCK GEN 3

## Introduction

Thank you for purchasing the SHOCK BUFFER FOR GLOCK® STRIKE INDUSTRIES SHOCK BUFFER FOR GLOCK GEN 3. This product is designed to enhance your shooting experience by reducing recoil and minimizing wear on your firearm. To ensure your safety and the effective use of this product, please read and follow the guidelines outlined in this manual.

## General Safety Guidelines

- Always handle firearms safely and responsibly.
- Ensure that your firearm is unloaded before installing or removing the shock buffer.
- Familiarize yourself with the operation of your specific Glock model.
- Keep the shock buffer away from children and unauthorized users.
- Regularly inspect the shock buffer for wear or damage.
- If you notice any defects or unusual wear, discontinue use and contact a qualified gunsmith.

## Specific Safety Precautions for Use

- The shock buffer is designed for use with specific Glock models: 17, 19, 22, 23, 31, and 32.
- **Do NOT use** the shock buffer with Gen 4 or Gen 5 Glocks as it is not compatible.
- Ensure that the shock buffer is securely installed on the slide before use.
- Avoid using excessive force when installing or removing the shock buffer.
- Be aware that the shock buffer may slightly alter the feel of your firearm during operation.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is completely unloaded.
- Remove the slide from the polymer frame of the Glock.
- Locate the area on the slide where the shock buffer will be installed.
- Align the shock buffer with the designated area and gently press it into place until it is securely seated.
- Reattach the slide to the polymer frame of the Glock.

### 2. Usage:

- Once installed, the shock buffer will absorb recoil during shooting.
- Monitor the performance of the shock buffer after several uses to ensure it is functioning as intended.
- If you experience excessive recoil or notice a decrease in performance, inspect the shock buffer for wear.

## Disposal Instructions

- Dispose of the shock buffer in accordance with local regulations.
- If the shock buffer is damaged or no longer functional, do not attempt to repair it. Dispose of it responsibly to prevent environmental harm.

## **Contact Information for Further Support**

For any questions or concerns regarding the SHOCK BUFFER FOR GLOCK® STRIKE INDUSTRIES SHOCK BUFFER FOR GLOCK GEN 3, please refer to the manufacturer's website or contact their customer support service. Ensure that you have the product details available when seeking assistance.

## **Conclusion**

Your safety is our priority. By following these guidelines, you can ensure the safe and effective use of the SHOCK BUFFER FOR GLOCK® STRIKE INDUSTRIES SHOCK BUFFER FOR GLOCK GEN 3. Thank you for choosing our product, and enjoy your shooting experience!
