## An Aftermarket Barrel for Your Savage Model 110

Looking to change out the barrel on your Savage Model 110 rifle action? Thanks to International Barrels, changing out your rifle's barrel doesn't have to involve a trip to the gunsmith! The specially developed design of these Savage small-shank pre-fit barrels means you can swap out your rifle caliber right at home. Each International Barrels Pre-Fit Savage Small Shank precision barrel is constructed with a barrel-nut system that can be threaded onto your action right at home. Once the barrel is threaded into place, simply check its positioning with a set of headspace gauges and then tighten the barrel nut down to its proper torque settings. Then you're done! The easy attachment system of these International Barrels Pre-Fit Barrels isn't all you're getting. These gun barrels are button-rifled and are made to precision tolerances, double-checked at every step along the way. The barrels are made using the company's Medium contour, which features a straight taper from the breech to the muzzle. Each barrel is threaded with 5/8-24 TPI muzzle threads. The company warns that some stocks may need to be inlet to allow clearance for the barrel nut.

## Attributes

# Safety Instruction Guide for SAVAGE SMALL SHANK PREFIT PRECISION BARRELS

## Introduction

Thank you for choosing the SAVAGE SMALL SHANK PREFIT PRECISION BARRELS from International Barrels. This guide aims to provide you with essential safety information and instructions for the proper installation and use of your new barrel. It is crucial to follow these guidelines to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle firearms and components with care and responsibility.
- Ensure that you are familiar with local laws and regulations regarding firearm modifications.
- Only use this barrel with compatible Savage Model 110 rifle actions.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear before use.
- If you experience any issues during installation or usage, consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Always wear appropriate eye and hearing protection when handling firearms.
- Ensure that the firearm is unloaded before attempting to change the barrel.
- Do not attempt to install the barrel if you are unsure of the process; seek professional assistance.
- Be cautious of sharp edges on the barrel and tools used during installation.
- Check for proper headspace using gauges to avoid potential malfunctions.
- Ensure the barrel nut is tightened to the manufacturer's specified torque settings.
- Be aware that some stocks may require inletting to accommodate the barrel nut.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench and headspace gauges.
- Ensure you have a clean, well-lit workspace.

### 2. Removing the Old Barrel:

- Unload the firearm and ensure it is safe to handle.
- Remove the existing barrel according to the manufacturer's instructions.

### 3. Installing the New Barrel:

- Thread the new barrel into the action until it is handtight.
- Use headspace gauges to check the positioning of the barrel.
- Once the position is confirmed, tighten the barrel nut to the manufacturer's specified torque settings.

### 4. Final Checks:

- Inspect the installation to ensure everything is secure.
- Test the firearm in a safe environment to confirm proper function.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly by recycling where possible.
- If the barrel is no longer usable, follow local regulations for the disposal of firearm components.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of your SAVAGE SMALL SHANK PREFIT PRECISION BARRELS, please consult a qualified firearms expert or contact your local dealer for assistance.

By adhering to these safety guidelines and instructions, you will ensure a safe and enjoyable experience with your new barrel. Always prioritize safety and responsible handling of firearms.
