Safety Instruction Guide for AR15 Gun Builders Lower Parts Kit

Introduction

Thank you for choosing the Armaspec Stainless Steel Gun Builder's Lower Parts Kit for your AR15. This kit is designed to provide you with highquality components necessary for building your firearm. Please read this safety instruction guide carefully to ensure the safe use and installation of the product.

General Safety Guidelines

- Ensure the product is used only by individuals who are legally permitted to own and operate firearms.
- Always treat all firearms as if they are loaded.
- Keep firearms and components out of reach of children and unauthorized users.
- Use personal protective equipment, such as safety glasses and gloves, when handling firearm components.
- Regularly inspect all components for wear and damage before use.
- Follow all local, state, and national laws regarding firearm assembly and usage.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation can lead to malfunction or failure of the firearm.
 - The use of incompatible parts can compromise safety and performance.
- **Avoiding Hazards:**
 - Ensure all components are compatible with your AR15 model.
 - Do not attempt to modify or alter any components unless you are a qualified gunsmith.
 - Always follow the manufacturer's instructions for installation and usage.
- **AgeSpecific Warnings:**
 - This product is intended for use by adults only. Minors should not handle or use firearm components without adult supervision.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including hex keys for antiwalk pins.
- Work in a clean, welllit area free from distractions.

2. Installation Steps:

- **Safety Selector:** Install the Armaspec SFT 45/90 Safety Selector according to the manufacturer's instructions.
- **Bolt Catch:** Secure the bolt catch in place and ensure it operates smoothly.
- **Enhanced Take Down Pin:** Insert the enhanced take down pin into the receiver, ensuring proper alignment.
- **Takedown Detent and Spring:** Install the stainless steel takedown detent and spring carefully.
- **Enhanced Pivot Pin:** Insert the enhanced pivot pin, ensuring it is properly seated.
- **AntiWalk Trigger Pin:** Install the stainless steel antiwalk trigger pin to secure the trigger assembly.
- **Buffer Retainer:** Install the stainless steel buffer retainer in the appropriate location.
- **Magazine Components:** Install the magazine catch, magazine spring, and enhanced magazine release button.

- **Final Checks:** After installation, perform a thorough check to ensure all components are secure and functioning correctly.

3. **Usage:**

- Before firing, ensure the firearm is properly assembled and all components are functioning as intended.
- Always follow safe handling practices when using your firearm.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of firearm components in regular household waste. Instead, contact local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the manufacturer's website or customer support resources.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your firearm are of utmost importance.
