## **HAWK SPOTTING SCOPE CAMERA**

[Optics & Mounting](#) > [Action Cameras](#) > [Cameras](#)

Looking for an easy way to record your shots without investing into a completely new smart spotting scope? This LONGSHOT Hawk Spotting Scope Camera converts your standard spotting scope into a smartscope with ease. All users have to do is slide the Hawk over the eyepiece of their go-to spotting scope and download the company's TargetVision app. Once a user has these two elements ready to roll, the LONGSHOT Hawk Spotting Scope Camera allows them to view their target in a live feed while tracking and numbering shots, taking and saving photos, recording video and reviewing previous shooting sessions! The battery-powered scope camera can run for up to 7 hours and is designed to deal with the weather and abuse of the range. No cell service or Wi-Fi access is required to use this device.

# HAWK SPOTTING SCOPE CAMERA Safety Instructions

## Introduction

Thank you for choosing the HAWK SPOTTING SCOPE CAMERA LONGSHOT TARGET CAMERAS. This guide provides essential safety instructions to ensure the safe use of your spotting scope camera. Please read this manual carefully before using the product to maximize your safety and enjoyment.

## General Safety Guidelines

- **Product Safety:** This product is designed to provide a safe experience while recording your shots. Always ensure that you follow the guidelines outlined in this manual.
- **Enhanced Recalls:** In the event of a product recall, you will be notified with standardized recall notices. Ensure you check for updates regularly.
- **Online Shopping:** If purchased online, remember that the same safety protections apply as if you bought it from a physical store.
- **Special Consumer Focus:** Extra precautions should be taken if the device is used by children or vulnerable individuals. Always supervise their use.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer.
- **Rapid Alerts:** Stay updated on any safety alerts regarding this product via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the camera is securely attached to the eyepiece of your spotting scope before use.
- Do not use the camera in extreme weather conditions beyond its specified limits.
- Keep the camera and its components out of reach of children when not in use.
- Regularly check the device for any signs of damage. If damaged, do not use the camera.
- Avoid exposing the camera to moisture or high humidity environments.
- Always ensure that the battery is charged before use to avoid unexpected shutdowns during operation.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the HAWK SPOTTING SCOPE CAMERA from its packaging.
- Slide the camera over the eyepiece of your spotting scope, ensuring a snug fit.
- Make sure the camera is properly aligned for optimal performance.

### 2. Downloading the App:

- Download the TargetVision app from your device's app store.
- Follow the onscreen instructions to install the app.

### 3. Using the Camera:

- Turn on the camera and open the TargetVision app on your mobile device.
- Connect the camera to your device via Bluetooth, if applicable.
- Begin your shooting session by viewing the target in live feed through the app.
- Use the app to track and number your shots, take photos, and record videos.
- Review previous shooting sessions directly within the app.

#### 4. Power Management:

- The camera is powered by a rechargeable battery. Ensure it is charged for optimal use.
- The camera can run for up to 7 hours on a full charge. Plan your shooting sessions accordingly.

## Disposal Instructions

- Dispose of the HAWK SPOTTING SCOPE CAMERA according to local regulations for electronic waste.
- Remove the battery before disposal and recycle it at designated collection points.
- Never dispose of the camera in regular household waste.

## Contact Information for Further Support

For any additional support or inquiries regarding safety, please refer to the contact information provided by the retailer from whom you purchased the product. Always ensure that you have the latest information regarding product safety and updates.

By following these guidelines, you can ensure a safe and enjoyable experience with your HAWK SPOTTING SCOPE CAMERA LONGSHOT TARGET CAMERAS. Thank you for your attention to safety!
