## **A Match-Grade Barrel for Your SIG Sauer P365 XL**

SIG Sauer expanded its lineup of P365 pistols in 2019 with the addition of the enlarged XL model, which makes it easier for shooters to get on target, thanks to the expanded sight radius and larger grip. Want to enhance this platform even more? Get your hands on these X-Fluted Match-Grade Barrels that are built specifically for the P365 XL. Machined from stainless steel, these SIG Sauer P365 XL X-Fluted Match Grade barrels are designed to be drop-in components that provide greater accuracy and precision than SIG's OEM barrels. The barrels are rifled with a 6-groove, broach-cut design, which allows all ammo types to be used in the gun, even cast-lead rounds! Each P365 XL X-Fluted Match Grade Barrel features an 11-degree target crown, and threaded barrels are available with 1/2-28 TPI thread pitches. The barrels feature a fully supported, SAAMI-spec chamber, along with added chamfers, radius cuts and other high-quality touches. A range of finish options are available, and the barrels are available in 9mm only.

# Safety Instruction Guide for SIG SAUER P365 XL XFluted Match Grade Barrels

## Introduction

Thank you for choosing the SIG SAUER P365 XL XFluted Match Grade Barrels. This guide provides essential safety instructions to ensure the safe and effective use of your new product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Product Safety: Ensure the safe use of the SIG SAUER P365 XL XFluted Match Grade Barrels by following all instructions and guidelines included in this manual.
- Enhanced Recalls: Stay informed about any recall notices related to this product. If you receive a recall notice, follow the instructions provided.
- Online Shopping: If purchased online, ensure that the retailer complies with safety requirements as mandated by EU regulations.
- Special Consumer Focus: Extra care should be taken when using this product around vulnerable groups, including children. Keep all firearms and related components out of reach of children.
- EU Contact Point: For safety inquiries, refer to the designated EU contact point associated with this product.
- Rapid Alerts: Monitor the EU's Safety Gate platform for updates on any unsafe products.

## Specific Safety Precautions for Use

- Always treat the firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure that you are familiar with the operation of your SIG SAUER P365 XL before installing the new barrel.
- Wear appropriate eye and ear protection when handling firearms.
- Do not use the barrel with ammunition that is not compatible with the SIG SAUER P365 XL.
- Regularly inspect the barrel for signs of wear or damage before use.
- If you notice any issues, do not use the barrel and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and clear of any ammunition.
- Gather necessary tools for installation, including a wrench and cleaning cloth.

### 2. Installation:

- Carefully remove the existing barrel from the SIG SAUER P365 XL by following the manufacturer's instructions.
- Align the new XFluted Match Grade Barrel with the slide and frame of the firearm.
- Gently insert the barrel into the slide, ensuring it is seated properly.
- Secure the barrel in place according to the manufacturer's specifications.

### 3. PostInstallation Checks:

- Conduct a visual inspection to ensure the barrel is properly installed.
- Check that the barrel is free from obstructions.

- Perform a function check to ensure that the firearm operates correctly with the new barrel.

#### 4. Usage:

- Use only highquality, compatible ammunition with the SIG SAUER P365 XL XFluted Match Grade Barrel.
- Regularly clean and maintain the barrel to ensure optimal performance.
- Follow all local laws and regulations regarding firearm usage.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the barrel becomes damaged or is no longer usable, consult local regulations for proper disposal methods.
- Do not dispose of the barrel in regular household waste. Seek guidance from local authorities on hazardous waste disposal if necessary.

## Contact Information for Further Support

For any questions or concerns regarding the SIG SAUER P365 XL XFluted Match Grade Barrels, please refer to the designated EU contact point associated with this product for assistance.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your SIG SAUER P365 XL XFluted Match Grade Barrels. Always prioritize safety and responsible firearm handling practices.
