

# HISPEED II BACKPACK - EBERLESTOCK HISPEED II PACK MILITARY GREEN

[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Backpacks](#)

The X41 HiSpeed II has a unique contour shape that tapers at both the top and the bottom, giving the pack an excellent close-to-the-body ride. The pack is fully compressible with pairs of side-mounted compression straps that draw the load upward to optimally position the packs contents over the wearers center-of-gravity. The X41 has two generously sized form-following pockets on the exterior of the upper and lower front flaps. MOLLE-10 lightweight webbing is used, to which you can attach conventional 25mm MOLLE accessories. The interior features include a hydration sleeve (WX2L and WXP3L hydration systems sold separately), two document / laptop sleeves, a mesh zippered pocket, MOLLE compatible webbing, and a fold-away shelf that allows you to either segregate or combine the top and bottom interior load space. Built in 420 denier ripstop nylon. Comes with our polycarbonate Gossamer frame.

# HISPEED II BACKPACK SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the HISPEED II Backpack by EBERLESTOCK. This guide provides essential safety instructions and guidelines to ensure the safe use of your backpack. Please read this document carefully to understand how to use your backpack safely and effectively.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the HISPEED II Backpack by following all instructions provided in this guide.
- **Enhanced Recalls:** Be aware of any recall notices related to this product. If you receive a recall notice, follow the instructions provided for a remedy.
- **Online Shopping:** When purchasing online, ensure that you are buying from a reputable retailer that complies with safety requirements.
- **Special Consumer Focus:** This backpack is not intended for use by children under 12 years old without adult supervision.
- **EU Contact Point:** For safety inquiries, refer to the contact details provided with your product packaging.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Weight Limit:** Do not exceed the recommended weight limit of 30 lbs (13.6 kg) to avoid strain and potential injury.
- **Proper Fit:** Adjust the straps to ensure a snug fit to your body. A loose backpack can cause discomfort and instability.
- **Avoid Overloading:** Distribute weight evenly within the backpack to maintain balance and prevent tipping.
- **Hydration:** Use the hydration sleeve only with compatible hydration systems (WX2L and WXP3L) to prevent leaks and spills.
- **Weather Conditions:** Avoid prolonged exposure to heavy rain or extreme weather without proper waterproofing measures.
- **Emergency Situations:** In case of an emergency, remove the backpack quickly to ensure freedom of movement.

## Instructions for Installation and Usage

- **Adjusting the Straps:**

1. Place the backpack on a flat surface.
2. Loosen all straps before putting on the backpack.
3. Slip the shoulder straps over your shoulders and adjust them until snug.
4. Adjust the waist and chest straps for added support.

- **Loading the Backpack:**

1. Open the main compartment and organize your items.
2. Place heavier items closer to your back for better weight distribution.
3. Use the exterior pockets for smaller items that you need quick access to.
4. Secure all items with the compression straps to prevent movement during use.

- **Using the Hydration Sleeve:**

1. Insert the hydration system into the hydration sleeve.
2. Ensure the hose is accessible and secure.
3. Check for leaks before use.

- **Cleaning and Maintenance:**

1. Clean the exterior with a damp cloth and mild soap as needed.
2. Allow the backpack to air dry completely before storing it.
3. Store in a cool, dry place away from direct sunlight.

## **Disposal Instructions**

- **Recycling:** Dispose of the backpack responsibly. Check local regulations regarding textile recycling.
- **NonRecyclable Components:** For parts that cannot be recycled, dispose of them in accordance with local waste management guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the HISPEED II Backpack, please refer to the contact information included with your product packaging.

Thank you for following these safety guidelines. Enjoy your adventure with the HISPEED II Backpack!
