Safety Instruction Guide for GEN 2 SCOPE MOUNTS MIDWEST INDUSTRIES 30MM 1.50" 0 MOA CANTILEVER MOUNT

Introduction

Thank you for choosing the GEN 2 Scope Mount from Midwest Industries. This product is designed for use with AR platform rifles, providing a secure and reliable mounting solution for your scopes. To ensure your safety and the optimal performance of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Regularly inspect the mount for any signs of wear or damage before each use.
- Always follow the manufacturer's instructions for installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities immediately.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the mount only with scopes that have a maximum objective diameter of 56mm.
- Ensure that the scope is securely attached to the mount to prevent it from loosening during use.
- Do not exceed the recommended weight limits for the mount.
- Avoid using the mount in extreme conditions unless specified by the manufacturer.
- If you experience any issues with the mount during use, cease operation immediately and inspect for problems.

Instructions for Installation and Usage

1. Installation Steps:

- Gather all necessary tools before beginning installation.
- Ensure the rifle is unloaded and pointed in a safe direction during installation.
- Attach the mount to the rifle's rail by aligning the dual steel locking lugs with the rail slots.
- Secure the mount using the provided 1/2" steel locking nuts, ensuring they are tightened firmly but not overtightened.
- Place the scope onto the mount, aligning it properly for optimal eye relief.
- Tighten the scope rings to secure the scope in place.

2. Usage Tips:

- Check the alignment and stability of the scope after installation.
- Adjust the scope for eye relief and reticle alignment before firing.
- Regularly check the mount and scope for any movement or loosening during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling materials when possible.

Contact Information for Further Support

For any questions or further support regarding the GEN 2 Scope Mount, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective use of the GEN 2 Scope Mount. Thank you for your attention to safety and proper usage.
