Armageddon Gear Chassis 2 Cell Magazine Pocket with PALS Safety Instruction Guide

Introduction

Thank you for choosing the Armageddon Gear Chassis 2 Cell Magazine Pocket with PALS. This product is designed to hold two 5round or two 10round Chassis magazines securely while providing easy access. Your safety and satisfaction are our top priorities. This guide provides essential safety instructions, usage guidelines, and disposal information to ensure the safe and effective use of your magazine pocket.

General Safety Guidelines

- Ensure that the magazine pocket is compatible with your PALS webbingequipped pack, case, or rig before use.
- Regularly inspect the magazine pocket for any signs of wear or damage. Do not use if damaged.
- Keep the magazine pocket out of reach of children and vulnerable individuals when not in use.
- Use the magazine pocket only for its intended purpose; do not overload it beyond its capacity.
- Always follow the manufacturer's instructions for installation and use.

Specific Safety Precautions for Use

- Ensure that the magazines are properly secured within the pocket to prevent accidental dropping or loss.
- Avoid exposing the magazine pocket to extreme temperatures or harsh chemicals that may degrade the materials.
- When accessing the magazines, do so carefully to avoid injury from sharp edges or moving parts.
- If using the magazine pocket in a tactical environment, ensure that it is properly secured to prevent unintended detachment.
- Be aware of your surroundings while using the magazine pocket, especially in crowded or confined spaces.

Instructions for Installation and Usage

Installation

1. **Locate PALS Webbing:** Identify the PALS webbing on your pack, case, or rig where you wish to attach the magazine pocket.
2. **Align the Magazine Pocket:** Position the magazine pocket so that the attachment straps align with the PALS webbing.
3. **Secure the Straps:** Thread the attachment straps through the PALS webbing and secure them tightly to prevent movement.
4. **Check Stability:** Ensure that the magazine pocket is firmly attached and does not shift when pulled or pushed.

Usage

1. **Loading Magazines:**
 - Open the Velcro flap of the magazine pocket.
 - Insert the magazines into the pocket, ensuring they are oriented correctly.
 - Close the Velcro flap securely to protect the magazines.
2. **Accessing Magazines:**

- To access the magazines, lift the Velcro flap gently.
- Remove the magazine carefully, ensuring a firm grip.

3. Maintenance:

- Regularly clean the magazine pocket with a damp cloth to remove dirt and debris.
- Inspect the Velcro flap and attachment straps for any signs of wear.

Disposal Instructions

- Dispose of the magazine pocket responsibly, following local waste disposal regulations.
- If the product is no longer usable, consider recycling materials where possible.
- Do not burn the product, as this may release harmful substances.

Contact Information for Further Support

For any questions or concerns regarding the Armageddon Gear Chassis 2 Cell Magazine Pocket with PALS, or if you need assistance, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for your attention to these safety guidelines. Your careful use and maintenance of the Armageddon Gear Chassis 2 Cell Magazine Pocket with PALS will ensure its longevity and your safety.
