Safety Instruction Guide for 1873 Cattleman Single Action .45 LC Revolver

Introduction

Thank you for choosing the 1873 Cattleman Single Action .45 LC Revolver. This guide provides important safety instructions to ensure safe handling and use of your firearm. Please read and understand all guidelines before using the product.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure that your finger is off the trigger until you are ready to shoot.
- Store firearms securely and out of reach of children.
- Use only the recommended ammunition for your firearm.
- Regularly inspect your firearm for signs of wear or damage.
- Be aware of your surroundings and ensure that you have a clear target and backstop.
- Always wear appropriate eye and ear protection when shooting.
- Do not consume alcohol or drugs before or during shooting activities.

Specific Safety Precautions for Use

- Ensure that the revolver is unloaded before cleaning or storing.
- Do not modify your firearm in any way; modifications can affect safety and performance.
- Only use the revolver in designated shooting ranges or safe environments.
- Be cautious of ricochets and ensure that the area behind your target is safe.
- Educate yourself on local laws and regulations regarding firearm ownership and use.
- If you are unsure about the operation of your revolver, seek assistance from a qualified instructor.

Instructions for Installation and Usage

• Loading the Revolver:

1. Ensure the revolver is pointed in a safe direction.
2. Open the cylinder and check that it is empty.
3. Load one cartridge into each chamber of the cylinder, leaving the last chamber empty for safety.
4. Close the cylinder securely.

• Firing the Revolver:

1. Grip the revolver firmly with both hands.
2. Keep your finger off the trigger until you are ready to shoot.
3. Aim at your target and ensure the area is clear.
4. Squeeze the trigger smoothly to fire the revolver.

• Cleaning the Revolver:

1. Ensure the revolver is unloaded.
2. Use a cleaning kit specifically designed for firearms.
3. Clean the barrel and cylinder according to the manufacturer's instructions.
4. Store the revolver in a secure location after cleaning.

Disposal Instructions

- Dispose of any unused or expired ammunition according to local regulations.
- When disposing of the revolver, ensure it is unloaded and follow local laws regarding firearm disposal.
- Contact local law enforcement or a licensed firearms dealer for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 1873 Cattleman Single Action .45 LC Revolver, please refer to the contact information provided by the manufacturer or authorized dealer. Always ensure that you have access to reliable support for your firearmrelated questions.

Thank you for prioritizing safety while using your 1873 Cattleman Single Action .45 LC Revolver. Your responsible handling contributes to a safer shooting environment for everyone.
