

# SMART SENSOR SHOOTING PERFORMANCE SYSTEMS - MANTIS TECH LLC MANTIS X10 ELITE SHOOTING PERFORMANCE SYSTEM

[Shooting Accessories](#) > [Training & Safety Gear](#) > [Training & Simulation](#)

The X3 features the same software as the original MantisX, but features a slimmer profile, longer battery life, and quick disconnect option. Collecting thousands of data points per second, the X3 analyzes your shooting in real-time. For both pistols and rifles, the X3 works with dry fire, live fire, airsoft/CO2, and simulated weapons systems. The X10 features a slimmer profile, longer battery life, and quick disconnect option, and comes with a barrel clamp adapter compatible with mounting on most shotguns and rifles. The X10 includes dynamic shooting analysis such as recoil analysis, holster draw analysis, shooting on the move, multi-target, and rapid-fire diagnostics and feedback. Additionally, the X10 provides shotgun sports analysis and archery analysis.

## Attributes

- Name: [MANTIS TECH LLC MANTIS X10 ELITE SHOOTING PERFORMANCE SYSTEM](#)
- Manufacturer: [MANTIS TECH LLC](#)
- Product no.: 100040367
- Mfr. No.: MT-1004

# Safety Instruction Guide for Mantis X10 Elite Shooting Performance System

## Introduction

Thank you for choosing the Mantis X10 Elite Shooting Performance System. This guide provides essential safety instructions to ensure the safe and effective use of your shooting performance system. Please read this manual carefully before use.

## General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Ensure the device is used in a safe environment, away from children and unauthorized users.
- Inspect the product before each use to ensure it is in good working condition.
- Report any unsafe product conditions to the relevant authorities.
- Stay updated on recall information via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- The Mantis X10 is designed for adult users. Keep away from children and individuals who are not trained in firearm safety.
- Always treat all firearms as if they are loaded. Follow standard firearm safety rules at all times.
- Ensure that the device is securely attached to the firearm before use.
- Avoid using the device in wet or damp conditions to prevent electrical hazards.
- Do not modify or attempt to repair the device yourself. Contact the manufacturer for assistance.
- Use the device only with compatible firearms and shooting systems as specified in the product description.

## Instructions for Installation and Usage

### Installation

#### 1. Attach the Barrel Clamp Adapter:

- Select the appropriate barrel clamp adapter for your shotgun or rifle.
- Align the adapter with the barrel and secure it tightly without overtightening.

#### 2. Connect the Device:

- Once the adapter is attached, connect the Mantis X10 to the adapter according to the instructions provided in the product manual.

#### 3. Power On:

- Press the power button to turn on the device. Ensure that the battery is charged for optimal performance.

### Usage

#### 1. Calibrate the Device:

- Follow the onscreen instructions to calibrate the device before starting your shooting session.

## **2. Select Shooting Mode:**

- Choose the appropriate shooting mode (dry fire, live fire, airsoft/CO2, etc.) based on your training needs.

## **3. Begin Shooting:**

- Start your shooting practice while the device collects data. Ensure you maintain proper firearm safety throughout the session.

## **4. Review Data:**

- After your session, review the dynamic shooting analysis provided by the device for feedback on your performance.

## **Disposal Instructions**

- Dispose of the Mantis X10 and its components in accordance with local regulations.
- Remove batteries before disposal and recycle them according to local battery recycling programs.
- Do not dispose of the device in household waste.

## **Contact Information for Further Support**

For any inquiries or further assistance, please refer to the contact information provided in the product packaging or visit the manufacturer's website.

Thank you for prioritizing safety while using the Mantis X10 Elite Shooting Performance System. Enjoy your training and stay safe!
