# Safety Instruction Guide for AccuTac® Sled Feet for Bipods

## Introduction

Thank you for choosing the AccuTac® Sled Feet for your bipod. These sled feet are designed to enhance stability on soft or flat terrains, making them ideal for FClass users. This guide provides essential safety instructions and information to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure that the sled feet are securely attached to the bipod before use.
- Inspect the sled feet for any damage or wear before each use.
- Use the sled feet only as intended, and do not modify them.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the bipod is placed on a stable surface to prevent tipping or falling.
- Avoid using the sled feet in extreme weather conditions that may affect stability.
- Do not exceed the weight limit of the bipod when using the sled feet.
- Be cautious of sharp objects or uneven surfaces that may damage the sled feet or cause injury.
- Wear appropriate personal protective equipment (PPE) when installing or using the sled feet.

## Instructions for Installation and Usage

### 1. Installation:

- Gather all necessary hardware included in the packaging.
- Align the sled feet with the mounting points on the bipod.
- Use the provided screws to securely attach the sled feet to the bipod.
- Ensure that all screws are tightened properly to avoid any accidental detachment.

### 2. Usage:

- Set up the bipod with sled feet on a flat and stable surface.
- Adjust the bipod height according to your shooting position.
- Ensure that the sled feet are fully engaged with the ground for maximum stability.
- Regularly check the attachment of the sled feet during use to ensure they remain secure.

## Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.
- Do not dispose of the sled feet in regular household waste.
- Consider recycling the aluminum alloy and stainless steel components where facilities are available.

## Contact Information for Further Support

For any safety inquiries or support regarding the AccuTac® Sled Feet, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety guidelines. Enjoy using your AccuTac® Sled Feet for enhanced stability and performance in your shooting activities.
