

# WCP320 SIG SAUER 9MM LUGER SEMI-AUTO HANDGUN - WCP320 SIG SAUER 9MM 4.7 BBL (2)17RD SIG TRIGGER BLACK

[Firearms](#) > [Handguns](#) > [Semi-Auto](#)

WCP320 SIG SAUER 9MM LUGER SEMI-AUTO HANDGUN Wilson Combat and Sig Sauer are pleased to announce the Wilson Combat enhanced P320 collaboration, the WCP320. This 9mm pistol includes Wilson Combat's custom P320 grip module (black or tan), P320 slide with X-TAC pattern serrations, and black DLC finish. Wilson Combat gunsmiths and engineers have completely reworked a SIG SAUER P320 chassis and unfinished SIG-manufactured slide into their ideal version of a high-performance, perfected striker-fired pistol. This robust, fast-handling pistol wears the Wilson Combat engineered polymer grip module. This newly designed and manufactured grip has enhanced traction, smoother reloading, improved pointability, and superb recoil control in dynamic shooting. This grip turns an already solid platform into an ergonomic shooting machine. The slide has been machined with the Wilson Combat X-TAC pattern for improved manipulation under stress. The front and rear cocking serrations, as well as the slide top, wear this signature Wilson Combat pattern. The stainless steel slide and chromoly barrel wear the most advanced black DLC (Diamond-like-Carbon) physical vapor deposition finish available. This finish has chromium and tungsten underlayers for long-lasting corrosion and abrasion resistance. FEATURES: Wilson Combat P320 Carry grip module (Black) Wilson Combat X-TAC P320 slide with machine bevels Black DLC finish on slide/barrel X-TAC pattern front and rear cocking serrations X-TAC pattern on slide top Carry cut Wilson Combat logo on slide Wilson Combat Battlesight with red fiber optic front sight SIG factory magazine release SIG factory slide Stop SIG P320 X-Full Size steel trigger OR Agency Arms Trigger 2 17 round X-Series magazines Beveled magazine well Rail for mounting light or laser Special serial number range with WC prefix SPECIFICATIONS: Cartridge: 9mm Luger Magazine capacity: 17 rounds Barrel length: 4.7" Overall length: 8.25" Sight radius: 6.7" Height: 5.5" Width: 1.5" Weight empty: 29.2 oz Weight loaded: 36.7 oz

# WCP320 SIG SAUER 9MM LUGER SEMIAUTO HANDGUN Safety Instruction Guide

## Introduction

Thank you for choosing the WCP320 SIG SAUER 9MM LUGER SEMIAUTO HANDGUN. This guide provides important safety information and instructions to ensure the safe use of your firearm. It is essential to read and understand these instructions before handling or using the handgun.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store firearms securely and away from unauthorized users, especially children.
- Use appropriate eye and ear protection when shooting.
- Regularly inspect your firearm for any signs of damage or wear.
- Follow all local laws and regulations regarding the ownership and use of firearms.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of the WCP320 handgun before use.
- Use only 9mm Luger ammunition in this handgun.
- Do not modify the handgun or use aftermarket parts that are not approved by the manufacturer.
- Avoid using the handgun in wet or humid conditions to prevent corrosion.
- Do not attempt to clean or disassemble the handgun while it is loaded.
- Always engage the safety mechanism when the handgun is not in use.
- Be cautious of the recoil and ensure a firm grip when firing.
- If you experience a malfunction, do not attempt to fire the handgun again until it has been inspected by a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Loading the Handgun:

- Ensure the handgun is pointed in a safe direction.
- Check that the handgun is unloaded.
- Insert a loaded magazine into the magazine well until it clicks into place.
- Pull back the slide to chamber a round.
- Engage the safety mechanism if you are not ready to fire.

### 2. Firing the Handgun:

- Ensure the handgun is aimed at the intended target.
- Keep your finger off the trigger until you are ready to shoot.
- Squeeze the trigger smoothly to fire.
- After firing, maintain control of the handgun and be prepared for recoil.

### 3. Unloading the Handgun:

- Point the handgun in a safe direction.
- Remove the magazine by pressing the magazine release button.

- Pull back the slide to eject any chambered round.
- Visually and physically inspect the chamber to ensure it is empty.

#### **4. Cleaning and Maintenance:**

- Clean the handgun regularly to ensure optimal performance.
- Use a proper cleaning kit designed for firearms.
- Follow the manufacturer's instructions for cleaning and maintenance.

## **Disposal Instructions**

When disposing of your handgun, follow these guidelines:

- Do not dispose of firearms in regular trash.
- Contact local authorities or a licensed firearms dealer for proper disposal methods.
- Ensure that the firearm is rendered inoperable before disposal.

## **Contact Information for Further Support**

For any safety inquiries or support regarding your WCP320 SIG SAUER 9MM LUGER SEMIAUTO HANDGUN, please refer to the manufacturer's customer support resources.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your WCP320 SIG SAUER handgun. Always prioritize safety and responsibility when handling firearms.
