[Firearms](#) > [Handguns](#) > [Semi-Auto](#)

WCP320 SIG SAUER 9MM LUGER SEMI-AUTO HANDGUN Wilson Combat and Sig Sauer are pleased to announce the Wilson Combat enhanced P320 collaboration, the WCP320. This 9mm pistol includes Wilson Combat's custom P320 grip module (black or tan), P320 slide with X-TAC pattern serrations, and black DLC finish. Wilson Combat gunsmiths and engineers have completely reworked a SIG SAUER P320 chassis and unfinished SIG-manufactured slide into their ideal version of a high-performance, perfected striker-fired pistol. This robust, fast-handling pistol wears the Wilson Combat engineered polymer grip module. This newly designed and manufactured grip has enhanced traction, smoother reloading, improved pointability, and superb recoil control in dynamic shooting. This grip turns an already solid platform into an ergonomic shooting machine. The slide has been machined with the Wilson Combat X-TAC pattern for improved manipulation under stress. The front and rear cocking serrations, as well as the slide top, wear this signature Wilson Combat pattern. The stainless steel slide and chromoly barrel wear the most advanced black DLC (Diamond-like-Carbon) physical vapor deposition finish available. This finish has chromium and tungsten underlayers for long-lasting corrosion and abrasion resistance. FEATURES: Wilson Combat P320 Carry grip module (Black) Wilson Combat X-TAC P320 slide with machine bevels Black DLC finish on slide/barrel X-TAC pattern front and rear cocking serrations X-TAC pattern on slide top Carry cut Wilson Combat logo on slide Wilson Combat Battlesight with red fiber optic front sight SIG factory magazine release SIG factory slide Stop SIG P320 X-Full Size steel trigger OR Agency Arms Trigger 2 17 round X-Series magazines Beveled magazine well Rail for mounting light or laser Special serial number range with WC prefix SPECIFICATIONS: Cartridge: 9mm Luger Magazine capacity: 17 rounds Barrel length: 4.7" Overall length: 8.25" Sight radius: 6.7" Height: 5.5" Width: 1.5" Weight empty: 29.2 oz Weight loaded: 36.7 oz

# WCP320 SIG SAUER 9MM LUGER SEMIAUTO HANDGUN Safety Instructions

## Introduction

Thank you for choosing the WCP320 SIG SAUER 9MM LUGER SEMIAUTO HANDGUN. This safety instruction guide is designed to provide essential information for the safe use and handling of your handgun. Please read this guide thoroughly before using the product to ensure a safe and enjoyable experience.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the handgun pointed in a safe direction at all times.
- Store the handgun securely and out of reach of children and unauthorized users.
- Always be aware of your surroundings and ensure that there is a clear backstop when firing.
- Wear appropriate eye and ear protection when shooting.
- Ensure the handgun is properly maintained and inspected before use.
- Follow all local laws and regulations regarding firearm ownership and use.
- Do not consume alcohol or drugs before or during the use of the handgun.
- Always keep your finger off the trigger until you are ready to shoot.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of the WCP320 before using it.
- Use only the recommended ammunition (9mm Luger) to prevent malfunctions.
- Do not attempt to modify or alter the handgun in any way.
- If the handgun fails to fire, keep it pointed in a safe direction for at least 30 seconds before attempting to clear the malfunction.
- Avoid using the handgun in adverse weather conditions that may affect its performance.
- Always check the magazine for proper seating and ensure it is securely locked in place before firing.
- Be cautious when handling the handgun, especially when loading or unloading.

## Instructions for Installation and Usage

### 1. Loading the Handgun:

- Ensure the handgun is pointed in a safe direction.
- Check that the handgun is unloaded by visually and physically inspecting the chamber.
- Insert the magazine into the grip until it clicks into place.
- Pull the slide back fully and release it to chamber a round.

### 2. Firing the Handgun:

- Grip the handgun firmly with both hands.
- Align your sights with the target.
- Place your finger on the trigger only when ready to shoot.
- Squeeze the trigger smoothly to fire.

### 3. Unloading the Handgun:

- Point the handgun in a safe direction.
- Remove the magazine by pressing the magazine release button.
- Pull the slide back to eject any chambered round.

- Visually and physically check the chamber to ensure it is empty.

#### **4. Maintenance:**

- Clean the handgun regularly according to the manufacturer's instructions.
- Inspect all components for wear or damage before use.
- Store the handgun in a dry, secure location.

## **Disposal Instructions**

- Dispose of the handgun in accordance with local laws and regulations.
- If you need to dispose of any ammunition, contact local authorities or a licensed dealer for proper disposal methods.
- Do not throw the handgun in regular trash; it must be disposed of safely to prevent accidents.

## **Contact Information for Further Support**

For any questions or concerns regarding the WCP320 SIG SAUER 9MM LUGER SEMIAUTO HANDGUN, please refer to the manufacturer's website or customer service for assistance. It is essential to have a reliable source for support and information regarding your handgun.

By following these safety instructions, you can ensure a safe and responsible experience with your WCP320 SIG SAUER 9MM LUGER SEMIAUTO HANDGUN. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention to these important safety measures.
