

PLHV2-18350 WEAPON LIGHTS - MODLITE SYSTEMS PLHV2-18350 COMPLETE LIGHT

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Weapon Lights](#)

This Modlite PLHV2 18350 weapon light package contains a PLHV2-light head, 18350 body and the option of a tail cap or without a tail cap. It also includes a single KeepPower 1200mAh 18350 battery and a XTAR MC2 charger. Item 100-042-502 does not include a tail cap or charger to offer a savings for those who don't need those components. This light is a large step forward from the PLHV1 light. Lumen output is about the same, but throw is greatly improved. It is the best balance of flood and throw available. If you are looking for the best overall output and throw this is the package you want. Features Cool White 5700K emitter tint Made and assembled in the USA Drivers are fully potted and tested to withstand select fire SCAR 17 recoil. Lifetime guarantee Approximately 1350 out the front lumens and candela is approximately 54,000. It is an excellent overall light head good for indoor or outdoor use. 6061 Series Alum bezel with Mil-Spec Hard Anodizing. Ultra clear BOROFLOAT® lens allows 98-99% light transmittance. Lithium CR123 cells are not supported and if used will cause the cells to heat up and possibly explode or catch fire. We recommend the KeepPower 18350 high drain cells which can be found separately. Runtime is about 35 minutes with the supplied 18350 cells.

Safety Instruction Guide for PLHV218350 Weapon Light

Introduction

Thank you for choosing the PLHV218350 Weapon Light by Modlite Systems. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your new weapon light. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure the product is used in accordance with the instructions provided in this manual.
- Always inspect the weapon light before use to ensure it is in good working condition.
- Do not use the weapon light if it appears damaged or malfunctioning.
- Keep the weapon light out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of weapon lights.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Battery Safety:**
 - Only use the recommended KeepPower 18350 high drain cells.
 - Do not use Lithium CR123 cells as they may cause overheating, explosion, or fire.
- **Heat Management:**
 - The weapon light may become hot during use. Allow it to cool before handling.
- **Indoor Use:**
 - When using indoors, ensure adequate ventilation to prevent overheating.
- **Outdoor Use:**
 - Be mindful of your surroundings and avoid shining the light into the eyes of others.
- **Recoil Management:**
 - The drivers are tested to withstand SCAR 17 recoil. Ensure proper mounting to prevent dislodgement.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the weapon light is off before installation.
 2. If using a tail cap, attach it securely to the body of the light.
 3. Insert the KeepPower 1200mAh 18350 battery, ensuring correct polarity.
 4. If applicable, securely attach the light head to the body.
- **Usage:**
 - To turn on the light, press the tail cap switch.
 - To adjust the brightness, follow the specific instructions provided with the light head.
 - Monitor the runtime; the battery will provide approximately 35 minutes of usage.
 - When the light dims, replace the battery immediately to avoid damage to the product.

Disposal Instructions

- Dispose of the weapon light and its components in accordance with local regulations.
- Do not dispose of batteries in regular household waste. Follow local guidelines for battery recycling.

- If the product is damaged or no longer functional, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety of the PLHV218350 Weapon Light or to report unsafe products, please contact your local EU consumer protection agency or visit the EU Safety Gate platform for updates on product recalls.

Thank you for prioritizing safety while using the PLHV218350 Weapon Light. Enjoy your product responsibly!
