Upgrade your Browning Buck Mark series magazines with aftermarket magazine springs from TANDEMKROSS. Magazine springs wear and tear over time, reducing the performance of your magazines and resulting in failure-to-feed issues. Don't let an underperforming or missing spring derail a shooting sports competition or day at the range! The new "Green Springs" for Browning Buck Mark are shot-peened for a significantly longer life than the factory spring. The upgraded magazine springs reduce failure-to-feed issues and are an ideal replacement for your old, broken magazine springs. Sold in 3-packs, "Green Springs" are an ideal upgrade to keep in your range bag for easy maintenance on the go. The dark green color of the magazine springs is a simple way to show your #TANDEMIZED pride and keep your upgraded springs separate from factory springs. Supported Models: All Browning Buck Marks

# Safety Instruction Guide for BROWNING BUCKMARK GREEN SPRINGS MAGAZINE SPRINGS TANDEMKROSS

## Introduction

Thank you for choosing the BROWNING BUCKMARK GREEN SPRINGS MAGAZINE SPRINGS from TANDEMKROSS. This guide contains important safety information and instructions for the proper use and maintenance of your magazine springs. Please read this guide carefully to ensure safe operation and compliance with relevant safety regulations.

## General Safety Guidelines

- Ensure that the magazine springs are compatible with your Browning Buck Mark series magazines.
- Always handle firearms and firearm accessories responsibly and in accordance with local laws and regulations.
- Keep the magazine springs out of reach of children and unauthorized users.
- Inspect the magazine springs before each use for signs of damage or wear. Replace if necessary.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only the TANDEMKROSS "Green Springs" designed specifically for Browning Buck Mark magazines.
- Do not attempt to modify or alter the magazine springs in any way.
- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the firearm is unloaded before installing or removing magazine springs.
- Follow all manufacturer instructions for the safe handling and operation of your Browning Buck Mark firearm.

## Instructions for Installation and Usage

### 1. Installation of Magazine Springs:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the magazine from the firearm.
- Disassemble the magazine according to the manufacturer's instructions.
- Carefully remove the old magazine spring from the magazine.
- Insert the new TANDEMKROSS "Green Spring" into the magazine, ensuring it is seated properly.
- Reassemble the magazine according to the manufacturer's instructions.
- Reinsert the magazine into the firearm.

### 2. Usage:

- Always check that the magazine is securely seated in the firearm before use.
- Monitor the performance of the magazine springs during use. If you experience failure to feed issues, inspect and replace the springs as necessary.
- Store the magazine springs in a cool, dry place when not in use to prolong their lifespan.

## **Disposal Instructions**

- Dispose of old or damaged magazine springs in accordance with local waste disposal regulations.
- Do not dispose of magazine springs in regular household waste. Check for recycling options where applicable.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please contact TANDEMKROSS directly through their official channels. Ensure you provide details of your purchase and any specific concerns you may have.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the BROWNING BUCKMARK GREEN SPRINGS MAGAZINE SPRINGS from TANDEMKROSS.
