

STEEL LEVER 30-30 WINCHESTER LEVER ACTION RIFLE - STEEL LEVER .30-30 SIDE GATE

[Firearms](#) > [Rifles](#) > [Lever Action](#)

From the Northwoods to the Texas hill country and in every deer camp and lodge in between, the .30-30 rifle remains the perennial choice of whitetail hunters. More than just another deer cartridge, the venerable .30-30 has been the king of deer calibers since the first rifle chambered in this ageless round was produced in 1894. In fact, it's a safe bet that in the past century, no other round has put more antlers on the wall and venison in the freezer than the .30-30. This latest addition to our world-famous line of lever-action repeaters was built with the traditional deer hunter in mind. Like its predecessor, it's both lightweight and maneuverable - the perfect combination for hunting in dense timber and heavy brush. From the Northwoods to the Texas hill country and in every deer camp and lodge in between, the .30-30 rifle remains the perennial choice of whitetail hunters. More than just another deer cartridge, the venerable .30-30 has been the king of deer calibers since the first rifle chambered in this ageless round was produced in 1894. In fact, it's a safe bet that in the past century, no other round has put more antlers on the wall and venison in the freezer than the .30-30. This latest addition to our world-famous line of lever-action repeaters was built with the traditional deer hunter in mind. Like its predecessor, it's both lightweight and maneuverable - the perfect combination for hunting in dense timber and heavy brush. Like every Henry rifle, it's 100% American made, with its checkered American walnut stock and forearm, it is a masterpiece of finely crafted gunsmithing. The Henry H009G has a steel receiver and a round blued steel barrel that is machined with state of the art multiple groove rifling. The best-of-both-worlds design with a side loading gate and removable tube magazine allow for quick top-offs and safe, fast unloading. If you're a deer hunter who wants to carry a rifle like dad and grandpa did back in the "good ol' days," treat yourself to a Henry .30-30 and relive the golden era of deer hunting while starting a few new traditions of your own.

Safety Instruction Guide for the STEEL LEVER ACTION SIDE GATE STEEL LEVER .3030 SIDE GATE

Introduction

Thank you for choosing the STEEL LEVER ACTION SIDE GATE STEEL LEVER .3030 SIDE GATE. This guide provides essential safety instructions to ensure the safe and effective use of your firearm. Please read this information carefully and keep it for future reference.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store the firearm securely and out of reach of children and unauthorized users.
- Regularly inspect the firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of the lever action mechanism before use.
- Use only the recommended .3030 Winchester cartridges in this firearm.
- Do not modify the firearm in any way that could affect its safety or performance.
- Always wear appropriate eye and ear protection when shooting.
- Avoid shooting in wet or inclement weather to prevent damage to the firearm.
- Be cautious of your surroundings and avoid shooting near populated areas.

Instructions for Installation and Usage

1. Loading the Firearm

- Open the side loading gate.
- Insert the cartridges into the magazine tube until it is full.
- Close the loading gate securely.

2. Preparing to Shoot

- Check to ensure the firearm is pointed in a safe direction.
- Pull the lever down to chamber a round.
- Ensure the safety is in the 'fire' position.

3. Firing the Firearm

- Aim at your target and ensure it is safe to shoot.
- Squeeze the trigger gently to fire.
- After firing, keep the muzzle pointed downrange and work the lever to eject the spent cartridge and chamber a new round.

4. Unloading the Firearm

- Open the loading gate and ensure the firearm is pointed in a safe direction.
- Work the lever to eject all cartridges from the chamber and magazine.

5. Cleaning and Maintenance

- Clean the firearm regularly to maintain optimal performance.
- Use appropriate cleaning supplies designed for firearms.
- Store the firearm in a dry, safe place.

Disposal Instructions

- When disposing of the firearm, ensure that it is unloaded and rendered inoperable.
- Follow local regulations for the disposal of firearms and ammunition.
- Do not discard the firearm in regular waste; contact local authorities for guidance on proper disposal methods.

Contact Information for Further Support

- For any safety inquiries or concerns regarding your firearm, please refer to the manufacturer's contact information provided with your product.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your STEEL LEVER ACTION SIDE GATE STEEL LEVER .3030 SIDE GATE. Always prioritize safety and responsible firearm use. Thank you for your attention to these important guidelines.
