

# ALL WEATHER LEVER ACTION SIDE GATE - ALL-WEATHER LEVER .30-30 SIDE GATE

[Firearms](#) > [Rifles](#) > [Lever Action](#)

Henry does produce, hands down, some of the best-looking lever action rifles on the market in our brass and silver models, but as a part of our aggressive expansion into the more utilitarian side of life with rifles and shotguns meant for everyday life in the truck, on the farm, and through the woods, these hard-working All-Weather rifles became a must-have. In profile and general dimensions, these two Henry offerings are essentially the same as their blued steel counterparts, with 20" round barrel and 5-shot magazine capacity in the .30-30 and 18.43" round barrel with 4-shot magazine in the .45-70, and both with the same adjustable buckhorn/bead sights. Like the blued rifles, the All-Weathers also wear the same wrist profiles- straight in the .30-30, and pistol grip in the .45-70. The major differences lie in the hard chrome plating on all metal surfaces (except springs, sights, and loading gates), and a durable industrial-grade coating on the hardwood furniture. In a tough world where a working rifle might be "rode hard and put away wet", this is the finish you want on it. A very strong plating permanently bonded to the steel underneath, hard chrome doesn't flake, chip, or peel, and its corrosion resistance is actually stronger than some stainless steel. The treatment we use increases surface hardness, reduces friction on moving parts, doesn't normally scuff or scratch, and leaves a low-gloss look that won't spook game. The furniture is another departure for us; we've based a good part of our reputation on our select American walnut over the years, but here we've opted for a stained hardwood with a carefully-selected coating that's formulated to stand up to wear, tear, scratches, moisture, temperature variations, and the angst of the various "character marks" an everyday outdoor tool inevitably picks up during its lifetime. If you want beauty, we've got it. If you want a more subdued partner you can depend on to ride any trail with, any time, any season, and in any weather, we do that too.

## Attributes

- Name: [ALL-WEATHER LEVER .30-30 SIDE GATE](#)
- Manufacturer: [HENRY REPEATING ARMS](#)
- Product no.: 100041639
- Mfr. No.: H009GAW
- Action Type: Lever Action
- Barrel Length: 20"
- Capacity: 5+1-Round
- Cartridge: 30-30 Winchester
- Finish: Stainless
- Front Sight: Adjustable

# Safety Instruction Guide for ALL WEATHER LEVER ACTION SIDE GATE

## Introduction

Thank you for choosing the ALL WEATHER LEVER ACTION SIDE GATE .3030 SIDE GATE by Henry Repeating Arms. This guide provides essential safety information to ensure the safe use and maintenance of your firearm. Please read this guide thoroughly before using your rifle.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Do not place your finger on the trigger until you are ready to shoot.
- Be aware of your target and what lies beyond it.
- Store firearms securely and out of reach of children and unauthorized users.
- Use only ammunition specified for your firearm.
- Regularly inspect your firearm for signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.
- If you are unsure about any aspect of firearm safety, seek professional training.

## Specific Safety Precautions for Use

- Ensure the safety is engaged when loading or unloading the firearm.
- Always use eye and ear protection when shooting.
- Do not shoot at hard surfaces or water to avoid ricochets.
- Avoid using the firearm under the influence of drugs or alcohol.
- Be cautious of environmental conditions that may affect shooting safety, such as wind or rain.
- If the firearm fails to fire when the trigger is pulled, keep the muzzle pointed downrange for at least 30 seconds before attempting to clear the firearm.
- Use appropriate cleaning supplies and procedures to maintain your firearm.

## Instructions for Installation and Usage

### 1. Installation of Accessories:

- Ensure the firearm is unloaded before installing any accessories.
- Follow manufacturer instructions for any aftermarket accessories.

### 2. Loading the Firearm:

- Open the action and visually inspect the chamber and magazine to ensure they are clear.
- Load the magazine with the appropriate ammunition.
- Insert the magazine into the firearm until it clicks into place.

### 3. Firing the Firearm:

- Engage the safety before loading.
- To fire, disengage the safety and pull the trigger while maintaining a firm grip on the firearm.
- After firing, reengage the safety before unloading.

### 4. Unloading the Firearm:

- Point the muzzle in a safe direction.
- Open the action and remove the magazine.
- Visually inspect the chamber to ensure it is empty.

#### **5. Cleaning and Maintenance:**

- Clean the firearm regularly using appropriate cleaning tools and solvents.
- Inspect all parts for wear and replace as necessary.
- Store the firearm in a cool, dry place when not in use.

## **Disposal Instructions**

- Dispose of any unused or expired ammunition in accordance with local laws and regulations.
- For the disposal of the firearm, consult local laws regarding firearm disposal or contact a licensed firearms dealer for guidance.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please reach out to your local authorized dealer or manufacturer representative.

Thank you for prioritizing safety and responsible firearm ownership. Enjoy your ALL WEATHER LEVER ACTION SIDE GATE responsibly.
