

# STEEL WILDFIRE EDITION SIDE GATE - STEEL WILDLIFE EDITION .30-30 SIDE GATE

[Firearms](#) > [Rifles](#) > [Lever Action](#)

Lever action with style that sets it apart from the rest, but not enough shine to risk spooking game? Easy- our steel-framed Wildlife editions in two of America's longest-lived hunting calibers, the same .30-30 and .45-70 that our brass Wildlife rifles are chambered for. Like their brass cousins, these steel-framed models acknowledge a long history of hunting, and the lever action's well-earned place in it for over 150 years. More subdued, with blued steel frames and furniture, they're also lighter in weight for long days on foot through dense brush and high mountain terrain. Steel weighs less than our hardened brass material, and the round barrels here also reduce weight for a trimmer hunting package that loses nothing in performance in the field. For added utility, we've also added our popular side loading gate and removable tube magazine configuration. The H009GWL in .30-30 sets off its straight-wristed walnut stock with checkering fore and aft, and replaces the brass buttplate with a black rubber recoil pad. On top, the frame is drilled & tapped for scope mounts, and the 20" barrel is fitted with a semi-buckhorn rear sight and brass bead front blade. Sling swivel studs and our centerfire in-hammer transfer bar make for convenient and safe carry with the hammer down on a loaded chamber, ready for cocking on a fast shot if you need one, with five rounds standing by in the magazine. The steel Wildlife .30-30 carries over the same engraving patterns of the brass version, with American vine, scroll, and braided borders surrounding a circular buck's head portrait in 24K gold relief on the right side behind the ejection port, and an oval-framed leaping buck on the left. Other sections are also accented in gold. The H010GWL in .45-70 is a trim powerhouse with its 18.43" barrel under semi-buckhorn rear and tall brass bead front sights. A checkered pistol grip walnut stock, sling swivel studs, and ventilated black rubber recoil pad fill out the package. Again sharing the .45-70 brass Wildlife Edition's engraving pattern, a 24K gold relief profile of a bear adorns the left side of the blued frame inside gold-accented scroll, line, and braided borders, with a gold relief image of a moose head on the right side. Built to bring home the bacon (or whatever your hunt takes you after), these special steel-framed Wildlife models are a cut above, and a point of pride.

## Attributes

- Name: [STEEL WILDLIFE EDITION .30-30 SIDE GATE](#)
- Manufacturer: [HENRY REPEATING ARMS](#)
- Product no.: 100041646
- Mfr. No.: H009GWL

# Safety Instruction Guide for the STEEL WILDFIRE EDITION SIDE GATE

## Introduction

Thank you for choosing the STEEL WILDFIRE EDITION SIDE GATE. This leveraction rifle is designed for both performance and safety. This guide provides essential safety instructions and guidelines to ensure the safe use of your firearm in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure that your finger is off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store firearms securely and out of reach of children and unauthorized users.
- Use appropriate ammunition as specified in the product specifications.
- Regularly inspect your firearm for any signs of wear or damage.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of the lever action before using the rifle.
- Always wear appropriate eye and ear protection when shooting.
- Do not use the rifle under the influence of alcohol or drugs.
- Be cautious of the environment where you are shooting; ensure it is safe and legal to do so.
- Avoid using the rifle in adverse weather conditions that may affect visibility or handling.
- Do not attempt to modify or alter the rifle in any way.

## Instructions for Installation and Usage

### Installation

1. **Check the Rifle:** Before installation, ensure the rifle is unloaded. Open the action and visually inspect the chamber.
2. **Scope Mounting:** If you plan to install a scope, use the drilled and tapped holes on the frame for proper mounting. Follow the scope manufacturer's instructions for installation.

### Usage

1. **Loading:**
  - Use the side loading gate to load the magazine. Ensure the rifle is pointed in a safe direction.
  - Load only the specified caliber (.3030 Winchester) into the magazine.
2. **Firing:**
  - To fire, ensure the safety is disengaged and the rifle is aimed at the target.
  - Pull the trigger smoothly while maintaining a firm grip on the rifle.
3. **Unloading:**
  - After firing, open the action to eject any spent cartridges.
  - Remove any remaining cartridges from the magazine.

## Disposal Instructions

- Dispose of any spent cartridges and packaging materials in accordance with local regulations.
- For the disposal of the rifle, contact a licensed firearms dealer or local authority for guidance on safe disposal.

disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and operation of your STEEL WILDFIRE EDITION SIDE GATE, please reach out to the manufacturer or a licensed firearms dealer. Ensure you have the product model and serial number available for reference.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your STEEL WILDFIRE EDITION SIDE GATE. Always prioritize safety and compliance with local laws and regulations when using firearms.
