

COLOR CASE HARDENED LEVER ACTION SIDE GATE - COLOR CASE HARDENED .45-70 SIDE GATE

[Firearms](#) > [Rifles](#) > [Lever Action](#)

Henry Repeating Arms recognizes that the lever action world is a wide one, with all sorts of lever-gunners looking for all sorts of lever actions to fill all sorts of lever action needs and desires. We do our best to accommodate all of those segments among our customers, and if you happen to be a student of the Old West, or an admirer of the traditional looks (and nostalgia) of time-honored case hardened colors, we've got your corner covered with the Color Case Hardened Lever Action Side Gate models. One of our most appealing steel frame finishes, the colors come from a genuine case-hardening process on the frame and fore-end cap that sets these rifles apart from our other blued steel models, without the bright "Here I am!" of the brass and silver rifles. In the woods, where they're right at home, the deep bluing, dark walnut, and mottled case colors form their own basic camouflage that your Great Grandpa would have been very familiar with while hunting deer or elk, and we like to think he would have been quite appreciative to have this Henry along. Merging old with new, the profile of the Color Case Hardened rifles is conventional, and the two calibers are also long-established. The .30-30 dates back to 1894, the .45-70 to 1873, and while they may be considered ancient today, between those two calibers the modern hunter can handle anything from coyote to grizzly, with the right load. The rifles themselves are built at our Rice Lake, Wisconsin, factory (where all the steel models are produced), 100% American, in traditional form with octagonal barrels, adjustable buckhorn and bead sights, and checkered walnut furniture. The modern part comes from the quality steels we use, the transfer bar safety, a side loading gate and removable tube magazine configuration, sling swivel studs, a drilled and tapped frame, and a ventilated rubber recoil pad. Choose your caliber, the straight-wristed .30-30 or the pistol-gripped .45-70, and you're ready to carry on where Great Grandpa left off. This would be considered a deluxe model in his time, and if he were around today, you'd undoubtedly get an envious nod of approval.

Attributes

- Name: [COLOR CASE HARDENED .45-70 SIDE GATE](#)
- Manufacturer: [HENRY REPEATING ARMS](#)
- Product no.: 100041652

Safety Instruction Guide for COLOR CASE HARDENED LEVER ACTION SIDE GATE .4570

Introduction

Thank you for choosing the COLOR CASE HARDENED LEVER ACTION SIDE GATE .4570. This guide provides essential safety instructions to ensure the safe use and maintenance of your firearm. It is important to read and understand these instructions to minimize risks and ensure compliance with EU safety regulations.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store firearms unloaded and in a secure location, away from children and unauthorized users.
- Use only the correct ammunition specified for your firearm.
- Regularly inspect your firearm for any signs of wear or damage.
- Do not alter or modify your firearm in any way.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

• Loading and Unloading:

- Always ensure the firearm is pointed in a safe direction when loading or unloading.
- Do not load the firearm until you are ready to shoot.
- After shooting, unload the firearm immediately and ensure the chamber is empty.

• Handling:

- Do not place your finger on the trigger until you are ready to shoot.
- Be mindful of others around you when handling your firearm.
- Avoid distractions while handling your firearm.

• Shooting:

- Know your target and what lies beyond it.
- Do not shoot at hard surfaces or water.
- Follow all local laws and regulations regarding shooting.

• Maintenance:

- Clean your firearm regularly as per the manufacturer's instructions.
- Use only recommended cleaning materials.
- Do not attempt to disassemble the firearm beyond the level described in the owner's manual.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installation.
- Follow the manufacturer's guidelines for any accessories or attachments.
- Securely attach any accessories as per the instructions provided.

2. Usage:

- Familiarize yourself with the operation of the lever action mechanism.
- Practice using the safety features of your firearm.
- Start with a small number of rounds to ensure comfort and control.

3. Storage:

- Store the firearm in a locked cabinet or safe when not in use.
- Keep the firearm and ammunition stored separately.
- Ensure that only authorized users have access to the firearm.

Disposal Instructions

- Dispose of any unused ammunition according to local regulations.
- Do not throw firearms in the trash.
- Contact local authorities or a licensed firearms dealer for proper disposal methods.

Contact Information for Further Support

For any questions regarding the safe use and maintenance of your COLOR CASE HARDENED LEVER ACTION SIDE GATE .4570, please refer to the manufacturer's website or contact a licensed firearms dealer.

Conclusion

Safety is paramount when using firearms. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your COLOR CASE HARDENED LEVER ACTION SIDE GATE .4570. Always stay informed and prioritize safety in all your shooting activities.
