

# BIG BOY STEEL SPECIAL SIDE GATE - BIG BOY STEEL .44 MAG SIDE GATE

[Firearms](#) > [Rifles](#) > [Lever Action](#)

The Big Boy Steel Side Gate hangs its 20" or 16.5" round barrel and checkered walnut furniture on a matte-finished blued steel frame that's drilled & tapped for optional scope mounts, and uses the same adjustable Western-style sights as the standard Big Boy, with the same sliding transfer bar "safety" system in its hammer. Most of the weight savings is due to the steel frame being lighter than a brass counterpart to begin with, and less steel in the thinner barrel walls than an octagon version. To make sure the steel Big Boy stays easy on the shoulder in any of its three calibers, the .357 Magnum/.38 Special, .44 Magnum/.44 Special, and .45 Colt; we use a black solid rubber recoil pad. For hands-free hiking up or down, it wears sling swivel studs; and we've also added a rifle-style fore-end cap instead of the usual carbine-type barrel band. For added versatility, we included a side loading gate and retained the removable tube magazine for easy top-offs, and quick, safe unloading. A perfect choice for the new straight-walled cartridge hunting laws in Ohio, Indiana, Southern Michigan, and those pending in other areas; with its subdued no-spook-em dark finish and easy-to-maneuver dimensions, we've got that brand new deer rifle you've been looking for right here.

## Attributes

- Name: [BIG BOY STEEL .44 MAG SIDE GATE](#)
- Manufacturer: [HENRY REPEATING ARMS](#)
- Product no.: 100041656

# Safety Instruction Guide for BIG BOY STEEL SPECIAL SIDE GATE

## Introduction

Thank you for purchasing the BIG BOY STEEL SPECIAL SIDE GATE. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your firearm. Please read this document carefully before handling or using your product.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the safety is engaged until you are ready to fire.
- Store the firearm in a secure place, out of reach of children and unauthorized users.
- Use only the correct ammunition specified for your firearm.
- Wear appropriate eye and ear protection when using the firearm.
- Regularly inspect the firearm for any signs of damage or wear.
- Follow all local laws and regulations regarding the use and storage of firearms.

## Specific Safety Precautions for Use

- Make sure to familiarize yourself with the operation of the lever action mechanism before use.
- Do not load ammunition into the chamber until you are ready to shoot.
- Avoid distractions while handling the firearm.
- Be aware of your surroundings and ensure that the area is clear of people and obstacles before firing.
- In case of a misfire, wait at least 30 seconds before attempting to open the action.
- Never attempt to modify the firearm or use aftermarket parts that are not approved by the manufacturer.
- Always clean and maintain your firearm according to the manufacturer's instructions.

## Instructions for Installation and Usage

### 1. Installation of Scope Mounts (Optional):

- Ensure the firearm is unloaded.
- Use the drilled and tapped holes on the steel frame to attach the scope mounts.
- Follow the scope manufacturer's instructions for proper installation.

### 2. Loading the Firearm:

- Open the side loading gate.
- Insert the correct caliber ammunition into the magazine tube.
- Close the loading gate securely.

### 3. Preparing to Fire:

- Ensure the safety is in the "on" position.
- Pull the lever down to chamber a round.
- Check that the firearm is pointed in a safe direction.

### 4. Firing the Weapon:

- Release the safety.

- Aim at your target.
- Squeeze the trigger gently to fire.

#### **5. Unloading the Firearm:**

- Engage the safety.
- Open the side loading gate.
- Carefully remove any remaining ammunition from the magazine tube.
- Open the action and check that the chamber is clear.

## **Disposal Instructions**

- Dispose of the firearm in accordance with local laws and regulations.
- Do not dispose of ammunition in regular trash.
- Contact a licensed firearms dealer or local law enforcement for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please contact your local authorized dealer or the manufacturer directly.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your BIG BOY STEEL SPECIAL SIDE GATE. Always prioritize safety and responsibility when handling firearms. Thank you for choosing our product.
