

BIG BOY STEEL .45 COLT SIDE GATE LARGE LOOP

[Firearms](#) > [Rifles](#) > [Lever Action](#)

The Big Boy Steel Side Gate hangs its 20" or 16.5" round barrel and checkered walnut furniture on a matte-finished blued steel frame that's drilled & tapped for optional scope mounts, and uses the same adjustable Western-style sights as the standard Big Boy, with the same sliding transfer bar "safety" system in its hammer. Most of the weight savings is due to the steel frame being lighter than a brass counterpart to begin with, and less steel in the thinner barrel walls than an octagon version. To make sure the steel Big Boy stays easy on the shoulder in any of its three calibers, the .357 Magnum/.38 Special, .44 Magnum/.44 Special, and .45 Colt; we use a black solid rubber recoil pad. For hands-free hiking up or down, it wears sling swivel studs; and we've also added a rifle-style fore-end cap instead of the usual carbine-type barrel band. For added versatility, we included a side loading gate and retained the removable tube magazine for easy top-offs, and quick, safe unloading. A perfect choice for the new straight-walled cartridge hunting laws in Ohio, Indiana, Southern Michigan, and those pending in other areas; with its subdued no-spook-em dark finish and easy-to-maneuver dimensions, we've got that brand new deer rifle you've been looking for right here.

Attributes

- Name: [BIG BOY STEEL .45 COLT SIDE GATE LARGE LOOP](#)
- Manufacturer: [HENRY REPEATING ARMS](#)
- Product no.: 100041666
- Mfr. No.: H012GCL

Safety Instruction Guide for BIG BOY STEEL .45 COLT SIDE GATE

Introduction

Thank you for choosing the BIG BOY STEEL .45 COLT SIDE GATE. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your firearm. Please read this document carefully before using your product.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm in a secure location, out of reach of children and unauthorized users.
- Use only the specified ammunition for your firearm.
- Always wear appropriate eye and ear protection when using your firearm.
- Be aware of your surroundings and ensure that you have a clear and safe target.
- Do not use your firearm under the influence of drugs or alcohol.
- Regularly inspect your firearm for any signs of wear or damage.

Specific Safety Precautions for Use

- Ensure the safety lever is engaged when not in use.
- Be cautious when loading and unloading your firearm to avoid accidental discharge.
- Never place your finger on the trigger until you are ready to shoot.
- Avoid using your firearm in adverse weather conditions that could affect performance.
- Follow all local laws and regulations regarding firearm usage and ownership.
- Be mindful of the recoil when firing, and maintain a firm grip on the firearm.
- Always verify that the barrel is clear of obstructions before firing.

Instructions for Installation and Usage

1. Loading the Firearm:

- Open the side loading gate.
- Insert the appropriate ammunition into the magazine tube.
- Close the loading gate securely.

2. Unloading the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Open the side loading gate.
- Allow the cartridges to be ejected from the magazine tube.
- Verify that the chamber is empty before storing.

3. Adjusting the Sights:

- Use the adjustable rear sight to align with your target.
- Make necessary adjustments for elevation and windage as needed.

4. Firing the Firearm:

- Ensure a proper stance and hold.

- Aim at the target and take a deep breath.
- Squeeze the trigger gently to fire.

5. Maintenance:

- Clean your firearm regularly to prevent buildup of residue.
- Use appropriate cleaning materials and lubricants designed for firearms.
- Inspect all components for damage and wear.

Disposal Instructions

- Dispose of your firearm in accordance with local regulations.
- Do not discard ammunition in regular trash; contact local authorities for proper disposal methods.
- Ensure the firearm is rendered inoperable before disposal.

Contact Information for Further Support
