

BIG BOY STEEL CARBINE SPECIAL SIDE GATE - BIG BOY STEEL CARBINE .357 MAG SIDE GATE

[Firearms](#) > [Rifles](#) > [Lever Action](#)

The Big Boy Steel Side Gate hangs its 20" or 16.5" round barrel and checkered walnut furniture on a matte-finished blued steel frame that's drilled & tapped for optional scope mounts, and uses the same adjustable Western-style sights as the standard Big Boy, with the same sliding transfer bar "safety" system in its hammer. Most of the weight savings is due to the steel frame being lighter than a brass counterpart to begin with, and less steel in the thinner barrel walls than an octagon version. To make sure the steel Big Boy stays easy on the shoulder in any of its three calibers, the .357 Magnum/.38 Special, .44 Magnum/.44 Special, and .45 Colt; we use a black solid rubber recoil pad. For hands-free hiking up or down, it wears sling swivel studs; and we've also added a rifle-style fore-end cap instead of the usual carbine-type barrel band. For added versatility, we included a side loading gate and retained the removable tube magazine for easy top-offs, and quick, safe unloading. A perfect choice for the new straight-walled cartridge hunting laws in Ohio, Indiana, Southern Michigan, and those pending in other areas; with its subdued no-spook-em dark finish and easy-to-maneuver dimensions, we've got that brand new deer rifle you've been looking for right here.

Attributes

- Name: [BIG BOY STEEL CARBINE .357 MAG SIDE GATE](#)
- Manufacturer: [HENRY REPEATING ARMS](#)
- Product no.: 100041677
- Mfr. No.: H012GMR
- Action Type: Lever Action
- Barrel Length: 16.5"
- Capacity: 7+1-Round

Safety Instruction Guide for BIG BOY STEEL CARBINE SPECIAL SIDE GATE

Introduction

Thank you for choosing the BIG BOY STEEL CARBINE SPECIAL SIDE GATE. This guide provides essential safety instructions and guidelines to ensure the safe use of your firearm. Please read this document thoroughly before using the product.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Ensure that the firearm is stored securely and out of reach of children.
- Use the firearm only for its intended purpose.
- Regularly inspect the firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- **Loading and Unloading:**
 - Always ensure the firearm is pointed in a safe direction when loading or unloading.
 - Use the side loading gate and removable tube magazine according to the instructions.
 - Confirm that the chamber is empty before handling the firearm.
- **Shooting:**
 - Wear appropriate eye and ear protection when shooting.
 - Ensure the shooting area is clear of people and obstacles.
 - Be aware of environmental conditions, such as wind and weather, that may affect shooting.
- **Maintenance:**
 - Clean the firearm regularly to ensure proper functioning.
 - Use only manufacturer-recommended cleaning supplies and tools.
 - Avoid using excessive force when disassembling or cleaning the firearm.
- **Transportation:**
 - Always transport the firearm unloaded and in a secure case.
 - Ensure the firearm is not accessible to unauthorized persons during transport.

Instructions for Installation and Usage

- **Scope Mounting:**
 - If using a scope, ensure that the frame is drilled and tapped correctly for secure mounting.
 - Follow the scope manufacturer's instructions for installation.
- **Using the Side Loading Gate:**

- To load, slide the gate open and insert cartridges into the magazine.
- To unload, ensure the firearm is pointed in a safe direction, open the side gate, and remove cartridges.
- **Adjusting Sights:**
 - Use the adjustable rear and front sights to align your aim.
 - Make adjustments according to the manufacturer's instructions for optimal accuracy.
- **Using the Recoil Pad:**
 - The solid rubber recoil pad helps absorb recoil during shooting.
 - Ensure it is properly installed and in good condition for safety during use.

Disposal Instructions

- Dispose of any unused ammunition and firearm components in accordance with local laws and regulations.
- Do not dispose of the firearm in regular household trash.
- Contact local authorities or a licensed dealer for proper disposal methods.

Contact Information for Further Support

For further support regarding safety inquiries, product information, or assistance, please refer to the manufacturer's website or customer service.

Please remember that safety is paramount when handling firearms. Always prioritize responsible use and adhere to all safety guidelines. Thank you for your attention to these important instructions.
