

# BIG BOY STEEL CARBINE SPECIAL SIDE GATE - BIG BOY STEEL CARBINE .44 MAG SIDE GATE

[Firearms](#) > [Rifles](#) > [Lever Action](#)

The Big Boy Steel Side Gate hangs its 20" or 16.5" round barrel and checkered walnut furniture on a matte-finished blued steel frame that's drilled & tapped for optional scope mounts, and uses the same adjustable Western-style sights as the standard Big Boy, with the same sliding transfer bar "safety" system in its hammer. Most of the weight savings is due to the steel frame being lighter than a brass counterpart to begin with, and less steel in the thinner barrel walls than an octagon version. To make sure the steel Big Boy stays easy on the shoulder in any of its three calibers, the .357 Magnum/.38 Special, .44 Magnum/.44 Special, and .45 Colt; we use a black solid rubber recoil pad. For hands-free hiking up or down, it wears sling swivel studs; and we've also added a rifle-style fore-end cap instead of the usual carbine-type barrel band. For added versatility, we included a side loading gate and retained the removable tube magazine for easy top-offs, and quick, safe unloading. A perfect choice for the new straight-walled cartridge hunting laws in Ohio, Indiana, Southern Michigan, and those pending in other areas; with its subdued no-spook-em dark finish and easy-to-maneuver dimensions, we've got that brand new deer rifle you've been looking for right here.

## Attributes

- Name: [BIG BOY STEEL CARBINE .44 MAG SIDE GATE](#)
- Manufacturer: [HENRY REPEATING ARMS](#)
- Product no.: 100041679
- Mfr. No.: H012GR
- Action Type: Lever Action
- Barrel Length: 16.5"
- Capacity: 7+1-Round

# Safety Instruction Guide for Big Boy Steel Carbine Special Side Gate

## Introduction

Thank you for choosing the Big Boy Steel Carbine Special Side Gate. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your firearm. Please read this document carefully before using your carbine.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what lies beyond it.
- Use appropriate eye and ear protection when shooting.
- Store your firearm securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before handling it.
- Only use ammunition that is specifically designed for the .44 Magnum cartridge.
- Do not attempt to modify or alter your firearm in any way.
- Be cautious when loading and unloading the firearm to avoid accidental discharge.
- Always use the safety features provided, including the sliding transfer bar safety system.
- When shooting, maintain a stable shooting position to control recoil effectively.
- Do not shoot at hard surfaces or water to avoid ricochets.
- Avoid using the firearm under the influence of alcohol or drugs.

## Instructions for Installation and Usage

### 1. Unpacking the Firearm

- Carefully remove the firearm from the packaging.
- Inspect for any visible damage or missing components.

### 2. Loading the Firearm

- Ensure the firearm is pointed in a safe direction.
- Open the side loading gate and insert the .44 Magnum cartridges into the magazine tube.
- Close the loading gate securely.

### 3. Firing the Firearm

- Ensure the firearm is aimed at your intended target.
- Check that the safety is disengaged before pulling the trigger.
- Pull the trigger smoothly and steadily to fire.

### 4. Unloading the Firearm

- Point the firearm in a safe direction.

- Open the side loading gate and carefully remove the cartridges from the magazine tube.
- Check the chamber to ensure it is clear of any cartridges.

## **5. Maintenance**

- Regularly clean your firearm according to the manufacturer's instructions.
- Store the firearm in a cool, dry place to prevent rust and corrosion.

## **Disposal Instructions**

- Follow local regulations for the disposal of firearms and ammunition.
- If you need to dispose of your firearm, contact a licensed firearms dealer or local authorities for proper disposal methods.
- Do not attempt to dismantle or destroy the firearm yourself.

## **Contact Information for Further Support**

For any safety inquiries or concerns, please reach out to your local authorized dealer or manufacturer's representative. Ensure you have your product details ready for a more efficient response.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Big Boy Steel Carbine Special Side Gate. Always prioritize safety and responsibility in all your shooting activities.
