Safety Instruction Guide for SIDEGATE .410 Lever Action Bead Sight Lever Shotgun

Introduction

Thank you for choosing the SIDEGATE .410 Lever Action Bead Sight Lever Shotgun. This guide provides essential safety instructions and guidelines to ensure the safe use of your shotgun. It is important to read and understand this manual before using the product to minimize risks and enhance your shooting experience.

General Safety Guidelines

- Always treat the shotgun as if it is loaded.
- Keep the shotgun pointed in a safe direction at all times.
- Ensure your finger is off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure there is a safe backstop.
- Store the shotgun in a secure location, out of reach of children and unauthorized users.
- Use appropriate eye and ear protection when shooting.
- Regularly inspect the shotgun for any signs of wear or damage.
- Follow all local laws and regulations regarding the use and ownership of firearms.

Specific Safety Precautions for Use

- **Age Restriction:** This shotgun is intended for use by individuals aged 18 years and older. Ensure that minors are supervised by a responsible adult at all times.
- **Shooting Environment:** Only use the shotgun in designated shooting ranges or areas where shooting is permitted.
- **Ammunition:** Use only the recommended .410 gauge ammunition. Do not attempt to use other gauges or types of ammunition.
- **Cleaning and Maintenance:** Clean the shotgun regularly and only when it is unloaded. Follow the manufacturer's instructions for cleaning.
- **Misfires:** In the event of a misfire, keep the shotgun pointed downrange for at least 30 seconds before attempting to clear the chamber.

Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the shotgun from the packaging. Inspect for any visible damage.
2. **Loading the Shotgun:**
 - Ensure the shotgun is pointed in a safe direction.
 - Open the action and visually inspect the chamber to confirm it is empty.
 - Load the magazine tube with .410 gauge shells, ensuring they are seated properly.
 - Close the action and ensure it is locked in place.
3. **Firing the Shotgun:**
 - Assume a stable shooting position.
 - Aim at the target and ensure the area is clear of obstructions.
 - Place your finger on the trigger only when you are ready to shoot.
 - Squeeze the trigger gently to fire.
4. **Unloading the Shotgun:**
 - Open the action immediately after firing.
 - Remove any remaining shells from the magazine tube.
 - Visually inspect the chamber to ensure it is empty before storing the shotgun.

Disposal Instructions

When disposing of the shotgun, follow these guidelines: * Do not dispose of the shotgun with regular household waste. * Contact local authorities or a licensed firearms dealer for proper disposal methods. * Ensure that the shotgun is rendered inoperable before disposal.

Contact Information for Further Support

For further assistance or inquiries regarding safety concerns, please refer to the manufacturer's contact information provided in the product documentation. Always ensure you are reaching out to an EU-based contact for safety inquiries.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable experience with your SIDEGATE .410 Lever Action Bead Sight Lever Shotgun. Always prioritize safety and adhere to local laws and regulations regarding firearm use. Thank you for your attention to these important guidelines.
