# Safety Instructions for CHEN 1911 Thumb Safeties

## Introduction

Thank you for choosing the CHEN 1911 Thumb Safeties from Stan Chen Customs. This guide provides essential safety instructions to ensure the safe use and installation of your new thumb safety. Please read this document carefully before use to understand the safety guidelines and precautions necessary for optimal performance.

## General Safety Guidelines

- Ensure that all safety features are functioning correctly before using your firearm.
- Always treat every firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Regularly inspect the thumb safety for wear or damage. If you notice any issues, discontinue use and consult a qualified gunsmith.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

## Specific Safety Precautions for Use

- The CHEN 1911 Thumb Safeties are designed for righthanded use. Ensure the product is compatible with your firearm model.
- Avoid using excessive force when operating the thumb safety. It should engage and disengage smoothly.
- Do not modify or alter the thumb safety in any way, as this may compromise its effectiveness and safety.
- If you experience any discomfort while using the thumb safety, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing thumb safety according to the manufacturer's instructions.
- Align the CHEN 1911 Thumb Safety with the mounting holes on the firearm.
- Secure the thumb safety in place using the appropriate screws and tools.
- Test the installation by engaging and disengaging the safety to ensure proper function.

### 2. Usage:

- To engage the thumb safety, push the lever upwards (toward the frame of the firearm).
- To disengage the thumb safety, push the lever downwards (away from the frame).
- Always ensure that the thumb safety is engaged when the firearm is not in use.

## Disposal Instructions

- Dispose of any packaging materials responsibly, following local regulations.
- If the thumb safety is damaged beyond repair, consult local waste management guidelines for proper disposal.
- Do not dispose of firearms or firearm components in regular household waste.

## **Contact Information for Further Support**
