CHEN 1911 Beavertail Grip Safeties Safety Instruction Guide

Introduction

Thank you for choosing the CHEN 1911 Beavertail Grip Safeties by Stan Chen Customs. This product is designed to enhance the safety and functionality of your 1911 pistol. It is essential to read and follow the safety instructions provided in this guide to ensure safe and effective use.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before installing or using the CHEN 1911 Beavertail Grip Safeties.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Store firearms and ammunition securely and out of reach of children and unauthorized users.
- Use the product only for its intended purpose, as specified in this guide.
- Regularly inspect the grip safety for wear and damage to maintain optimal performance.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use the CHEN 1911 Beavertail Grip Safeties on compatible 1911 frames. Ensure your firearm is cut for a beavertail safety.
- Do not modify the grip safety or the firearm in any way that could compromise safety.
- Ensure the grip safety is properly installed before using your firearm.
- Be aware of the potential for accidental discharge if the grip safety is not functioning correctly.
- Keep the area where you handle firearms free from distractions and unauthorized individuals.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Safety:** Carefully remove the existing grip safety from your 1911 frame according to the manufacturer's instructions.
3. **Fit the New Grip Safety:** Align the CHEN 1911 Beavertail Grip Safety with the frame. Ensure that it fits snugly and that the .246 radius blends well with the frame cut.
4. **Secure the Safety:** Follow the manufacturer's guidelines for securing the grip safety in place. Ensure it is firmly installed to prevent wobble or movement.
5. **Function Test:** Once installed, perform a function test to ensure the grip safety operates correctly. Check that it engages and disengages as intended.

Usage Instructions

- Always ensure that your firearm is in a safe condition before handling.
- When gripping the firearm, ensure that your hand is positioned correctly to engage the grip safety.
- Practice proper firearm handling techniques at all times.
- Regularly check the grip safety for functionality before use.

Disposal Instructions

- Dispose of any unused or damaged grip safeties in accordance with local regulations.
- Do not dispose of the grip safety in regular household waste. Follow guidelines for hazardous materials if

applicable.

Contact Information for Further Support
