An Enhanced Selector Switch for Your CZ Scorpion EVO

Having more control over your firearm is never a bad thing, and this Strike Industries Extended Selector Switch designed for use on the CZ Scorpion EVO gives you greater control over your gun's operation, thanks to a totally ambidextrous design. The switch makes your selector easier to reach and gives you the ability to switch from fire to safe using either your index finger or thumb. The lever has been lengthened in both directions, so you can find the easiest, most intuitive way to activate your selector. Each Strike Industries Extended Selector Switch is made from durable polymer and features grooves that are designed to give you greater control in wet conditions. You'll have more control over your gun and it'll be easier to shoot, all improvements over the OEM CZ-designed components. For even more control, the switch has been designed for use with the Strike Industries 15-degree Pistol Grip, so you'll have enhanced ergonomics all around.

Safety Instruction Guide for the Extended Selector Switch for CZ Scorpion EVO

Introduction

Thank you for choosing the Extended Selector Switch designed for the CZ Scorpion EVO by Strike Industries. This product enhances your firearm's operation by providing greater control and accessibility. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that you are in a safe environment when handling your firearm.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and accessories securely and out of reach of children.
- Regularly inspect your firearm and accessories for wear or damage.
- Familiarize yourself with the laws and regulations regarding firearm ownership and usage in your area.

Specific Safety Precautions for Use

- **Ambidextrous Design:** The switch is designed for both right and lefthanded users. Make sure you are comfortable operating the switch with your preferred hand.
- **Selector Reach:** Ensure that you can easily reach the selector switch with your index finger or thumb without compromising your grip on the firearm.
- **Wet Conditions:** The grooves on the switch provide better grip in wet conditions. However, always ensure that your hands are dry when handling your firearm.
- **Compatibility:** This selector switch is designed for use with the Strike Industries 15degree Pistol Grip. Ensure proper compatibility before installation.
- **Age Restrictions:** This product is intended for use by individuals who are legally permitted to handle firearms. Ensure that minors are supervised by a responsible adult.

Instructions for Installation and Usage

Installation Instructions

1. **Ensure Safety:** Before beginning installation, ensure that your firearm is unloaded and pointed in a safe direction.
2. **Remove the OEM Selector Switch:**
 - Locate the original selector switch on your CZ Scorpion EVO.
 - Carefully remove the OEM switch according to the manufacturer's instructions.
3. **Install the Extended Selector Switch:**
 - Align the Extended Selector Switch with the selector mechanism.
 - Press gently until the switch is fully seated.
 - Ensure that the switch moves freely and engages properly.
4. **Test Functionality:**
 - With the firearm still unloaded, test the selector switch to ensure it operates smoothly from the fire position to the safe position.
 - Make any necessary adjustments to ensure proper functionality.

Usage Instructions

- When switching from fire to safe, use your index finger or thumb to operate the selector switch.
- Always confirm that the firearm is in the safe position before storing or transporting.
- Practice using the selector switch in a safe environment to become familiar with its operation.

Disposal Instructions

- Dispose of the Extended Selector Switch in accordance with local regulations.
- Do not throw the product in regular household waste. Instead, check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any safety inquiries or support regarding the Extended Selector Switch, please refer to the manufacturer's contact information provided with the product packaging. Always ensure you are reaching out to an authorized representative for assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Extended Selector Switch for CZ Scorpion EVO. Thank you for prioritizing safety and responsible firearm use.
