DRING HEAVY DUTY FLUSH SWIVEL SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the DRing Heavy Duty Flush Swivel by Midwest Industries. This product is designed for secure and reliable use with 1 1/4" slings. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always inspect the DRing Heavy Duty Flush Swivel before each use for any signs of wear or damage.
- Ensure that the product is used only for its intended purpose.
- Keep this product out of reach of children and vulnerable individuals to prevent accidents.
- Be aware of your surroundings when using the product to avoid potential hazards.
- Report any unsafe product incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified by the manufacturer.
- Ensure that the DRing is securely attached before use.
- Avoid using the product in adverse weather conditions that may affect its performance.
- Do not modify the DRing Heavy Duty Flush Swivel in any way.
- Use caution when operating the push button to prevent accidental release.
- Always follow the manufacturer's recommendations for use and maintenance.

Instructions for Installation and Usage

1. Installation:

- Identify the appropriate location for the DRing Heavy Duty Flush Swivel.
- Ensure the surface is clean and free from debris.
- Use appropriate tools to secure the DRing according to the manufacturer's guidelines.
- Ensure that the DRing is flush with the surface to prevent snagging.

2. Usage:

- Attach the sling to the DRing securely.
- Confirm that the connection is stable before applying any load.
- To release the sling, press the recessed button and gently detach the sling from the DRing.
- Always check the attachment before each use to ensure safety.

Disposal Instructions

- Dispose of the DRing Heavy Duty Flush Swivel in accordance with local regulations.
- Do not throw the product into regular household waste; instead, look for designated recycling points.
- Ensure that all components are disposed of responsibly to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the DRing Heavy Duty Flush Swivel, please refer to the manufacturer's contact information included with your product packaging. Ensure that you have the product details on hand for

efficient assistance.

Thank you for prioritizing safety and compliance while using the DRing Heavy Duty Flush Swivel. Your adherence to these guidelines helps ensure a safe experience for all users.
