# Modlite PLHv218650 Weapon Light Safety Instruction Guide

## Introduction

Thank you for choosing the Modlite PLHv218650 Weapon Light. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before using the light.

## General Safety Guidelines

- Ensure the product is used according to the instructions provided.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the product for any signs of damage or wear.
- If the product is damaged, discontinue use immediately and contact the manufacturer for support.
- Do not modify or disassemble the product in any way.
- Use only the recommended KeepPower 18650 high drain cells. Other battery types may cause overheating, explosions, or fire.
- Follow local regulations regarding the use of weapon lights.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The use of lithium batteries can pose a risk of overheating or explosion if not handled properly.
  - Improper use of the light may lead to accidents or injuries.
- **Avoiding Hazards:**
  - Do not expose the light to extreme temperatures, moisture, or direct sunlight for prolonged periods.
  - Ensure the light is securely mounted to avoid accidental dislodging during use.
  - Use the light in accordance with its intended purpose as a weaponmounted light.
- **Age Restrictions:**
  - This product is not intended for use by individuals under the age of 18. Ensure that all users are of legal age and trained in the use of weaponmounted lights.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure the weapon is unloaded and safe before installation.
  2. Attach the PLHv2light head to the 18650 body securely.
  3. If using a tail cap, install it according to the manufacturer's instructions.
  4. Insert the KeepPower 3500mAh 18650 battery into the body, ensuring correct polarity.
- **Usage:**
  - To turn on the light, press the activation switch as instructed in the product manual.
  - Use the light in a welllit area to familiarize yourself with its operation.
  - For optimal performance, ensure the lens is clean and free from obstructions.

- Monitor the runtime of the light and replace the battery when necessary. Runtime is approximately 75 minutes with the supplied cells.

- **Maintenance:**

- Regularly clean the light with a soft, dry cloth.
- Inspect the light for any signs of damage or wear before each use.

## **Disposal Instructions**

- Dispose of the product and batteries in accordance with local regulations.
- Do not dispose of batteries in fire or water.
- Take used batteries to a designated recycling facility to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the Modlite PLHv218650 Weapon Light, please refer to the manufacturer's website or customer service resources for assistance.

By following these guidelines, you can ensure the safe and effective use of your Modlite PLHv218650 Weapon Light. Thank you for prioritizing safety and responsible usage.
