

OKW HANDHELD FLASHLIGHT - MODLITE SYSTEMS OKW-18650 FLASHLIGHT BLACK

[Emergency & Survival Gear](#) > [Lighting](#) > [Flashlights](#)

This light package contains an OKW light head, 18350 Handheld body and tail cap. It also includes a single KeepPower 1200mAh 18350 batteries and a XTAR MC2 charger. While lumen output is only 680 lumen the throw is about 400% greater than the M600DF. This light head is best suited for situations where extreme throw is needed. Features Made in the USA Lifetime guarantee Approximately 680 out the front lumens and candela is approximately 69,000. It is an excellent overall light head good for indoor or outdoor use Drivers are fully potted and tested. 6061 Series Alum bezel with Mil-Spec Hard Anodizing Ultra clear BOROFLOAT® lens allows 98-99% light transmittance Lithium CR123 cells are not supported and if used will cause the cells to heat up and possibly explode or catch fire. Modlite recommends the KeepPower 18350 high drain cells. Runtime is about 35 minutes with the supplied 18350 cells

OKW18650 Safety Instruction Guide

Introduction

Thank you for choosing the OKW Handheld Flashlight Modlite Systems OKW18650. This guide provides essential safety instructions and information to ensure the safe use of your flashlight. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the flashlight is used in accordance with the manufacturer's instructions.
- Always inspect the flashlight for damage before use. Do not use if damaged.
- Keep the flashlight out of reach of children and vulnerable individuals.
- Avoid using the flashlight in wet or damp conditions unless it is specifically designed for such use.
- Do not modify or disassemble the flashlight.
- Use only the recommended KeepPower 18350 high drain cells. Using other types of batteries, such as Lithium CR123 cells, may cause overheating, explosion, or fire.
- Always store the flashlight in a cool, dry place when not in use.

Specific Safety Precautions for Use

- **Battery Safety:**

- Only use the included KeepPower 1200mAh 18350 batteries.
- Do not mix old and new batteries or different brands.
- Remove batteries if the flashlight will not be used for an extended period.

- **Charging Safety:**

- Use the provided XTAR MC2 charger for charging the batteries.
- Do not leave charging batteries unattended.
- Ensure the charger is used in a wellventilated area and is not covered during charging.

- **Light Output:**

- The flashlight has a lumen output of 680 lumens. Avoid shining the light directly into anyone's eyes.
- Use caution when operating in environments where extreme throw is required.

- **Heat Generation:**

- The flashlight may become warm during use. Allow it to cool down before handling.

Instructions for Installation and Usage

1. Installing the Battery:

- Unscrew the tail cap of the flashlight.
- Insert the KeepPower 18350 battery with the positive (+) end facing the head of the flashlight.
- Screw the tail cap back on securely.

2. Using the Flashlight:

- To turn on the flashlight, press the tail switch.
- Press again to turn off.
- Adjust the beam as necessary for your needs.

3. Charging the Battery:

- Remove the battery from the flashlight.
- Insert the battery into the XTAR MC2 charger.
- Plug the charger into a power outlet.
- The charger will indicate the charging status. Once fully charged, remove the battery from the charger.

4. Storing the Flashlight:

- Store the flashlight in a cool, dry place.
- Ensure the flashlight is turned off and the battery is either removed or fully charged.

Disposal Instructions

- Dispose of the flashlight and batteries in accordance with local regulations.
- Do not dispose of batteries in household waste. Instead, take them to a designated battery recycling facility.
- For the flashlight, check local electronic waste disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the OKW Handheld Flashlight Modlite Systems OKW18650, please refer to the manufacturer's customer support resources. Ensure to have the product details available for assistance.

Thank you for following these safety instructions. Enjoy your new flashlight responsibly!
