# Safety Instructions for RECCE16 MKMRA 5.56 Rifle

## Introduction

Thank you for choosing the RECCE16 MKMRA 5.56 rifle. This product is designed with highquality materials and advanced technology to ensure optimal performance. However, as with any firearm, it is essential to follow safety guidelines to ensure safe usage. This manual provides important safety instructions and guidelines in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure that your finger is off the trigger until you are ready to shoot.
- Store firearms and ammunition separately and securely.
- Always use appropriate eye and ear protection when shooting.
- Be aware of your target and what is beyond it.
- Do not consume alcohol or drugs before or while shooting.
- Regularly inspect your firearm for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- Ensure that you are of legal age to possess and use this firearm in your jurisdiction.
- Always check that the firearm is unloaded before handling.
- Use only the recommended ammunition (5.56 mm NATO) for this rifle.
- Avoid using damaged or corroded magazines.
- Be cautious when loading and unloading the firearm to prevent accidental discharge.
- Never modify the firearm or use aftermarket parts that are not approved by the manufacturer.
- If you experience a misfire, keep the firearm pointed in a safe direction for at least 30 seconds before attempting to clear the malfunction.
- Be mindful of your surroundings and ensure that you are in a safe area for shooting.

## Instructions for Installation and Usage

### 1. Unpacking the Rifle

- Carefully remove the rifle from its packaging.
- Inspect the rifle for any signs of damage or missing parts.

### 2. Loading the Rifle

- Ensure the rifle is pointed in a safe direction.
- Open the magazine well and insert the magazine.
- Pull the charging handle to the rear and release it to chamber a round.

### 3. Firing the Rifle

- Ensure the safety is in the "Fire" position.
- Aim at the target, ensuring you have a clear line of sight.
- Gently squeeze the trigger to fire.

#### **4. Unloading the Rifle**

- Point the rifle in a safe direction.
- Remove the magazine and pull the charging handle to eject any chambered round.
- Visually and physically inspect the chamber to ensure it is clear.

#### **5. Cleaning and Maintenance**

- Regularly clean the rifle according to the manufacturer's recommendations.
- Use only cleaning products that are safe for firearms.
- Always ensure the rifle is unloaded before cleaning.

## **Disposal Instructions**

- Dispose of any unused or expired ammunition according to local regulations.
- Do not throw away firearms in regular trash.
- Contact local law enforcement or a licensed firearms dealer for safe disposal options.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the RECCE16 MKMRA 5.56 rifle, please contact the manufacturer or authorized dealers. Ensure that you have the product details ready for assistance.

By following these safety instructions, you can ensure a safer experience with your RECCE16 MKMRA 5.56 rifle. Always prioritize safety and responsibility when handling firearms.
