

CONDITION ONE ANGLE COSINE INDICATOR MOUNT - BADGER ORDNANCE CONDITION ONE ANGLE COSINE INDICATOR MOUNT AMBIDEXTROUS TAN

[Home](#)

The C1 ACI allows for the attachment of the Sniper Tools Design ACI directly to the C1 line of mounts. It can be used on any C1 mount left/right fore/aft though end users will need to purchase right or left handed ACIs accordingly as the ACI design itself is not ambidextrous in nature. It can be used in conjunction with and opposing other accessories or alone on the mount utilizing the provided standalone puck. The C1 ACI mount can be configured for 2 different ride heights on the mount, high or low. The Right Hand ACI is built for right handed shooters and mounts the ACI on the left side of the mount to be visible when shooting. 7075 T6 Aluminum, Mil Spec Type III Hardcoat Anodized, tan or black. Weight .7 oz.

CONDITION ONE ANGLE COSINE INDICATOR MOUNT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the CONDITION ONE ANGLE COSINE INDICATOR MOUNT by Badger Ordnance. This product is designed to enhance your shooting experience by allowing for the attachment of the Sniper Tools Design ACI. To ensure your safety and the proper use of this product, please read and follow the guidelines outlined in this manual carefully.

General Safety Guidelines

- Always ensure that the mount is securely attached before use.
- Inspect the product for any signs of damage or wear before each use.
- Use the product only as intended and in accordance with the provided instructions.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents involving this product to the appropriate authorities.
- Stay informed about any recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- The ACI design is not ambidextrous. Ensure you are using the correct right or lefthanded ACI for your needs.
- Always mount the ACI according to the specifications provided in the installation instructions.
- Do not attempt to modify or alter the product in any way, as this may compromise safety and performance.
- Be cautious when using the mount in conjunction with other accessories to avoid interference or instability.
- Ensure that the mount is compatible with your equipment before use.

Instructions for Installation and Usage

1. Installation:

- Before installation, ensure that the mounting surface is clean and free of debris.
- Select the desired ride height (high or low) for your mount.
- Align the ACI with the mounting points on the C1 mount.
- Securely fasten the ACI using the provided hardware, ensuring that it is tightened to the manufacturer's specifications.
- Doublecheck that the ACI is properly mounted and stable before proceeding to use.

2. Usage:

- Once installed, familiarize yourself with the ACI's functionality.
- When using the ACI, maintain a proper shooting stance to ensure maximum visibility and control.
- If using in conjunction with other accessories, ensure they do not obstruct the ACI's visibility or functionality.
- After use, inspect the ACI for any signs of wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.
- Do not dispose of the product in regular household waste.

- If the product is damaged beyond repair, consider recycling materials where possible.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please contact your local distributor or the manufacturer directly. Ensure you have the product details on hand when seeking support.

By following these safety instructions, you can ensure a safe and enjoyable experience with your CONDITION ONE ANGLE COSINE INDICATOR MOUNT. Always prioritize safety and stay informed about best practices for using your equipment.
