

CONDITION ONE ANGLE COSINE INDICATOR MOUNT - BADGER ORDNANCE CONDITION ONE ANGLE COSINE INDICATOR KIT LEFT HAND TAN

[Home](#)

The C1 ACI allows for the attachment of the Sniper Tools Design ACI directly to the C1 line of mounts. It can be used on any C1 mount left/right fore/aft though end users will need to purchase right or left handed ACIs accordingly as the ACI design itself is not ambidextrous in nature. It can be used in conjunction with and opposing other accessories or alone on the mount utilizing the provided standalone puck. The C1 ACI mount can be configured for 2 different ride heights on the mount, high or low. The Right Hand ACI is built for right handed shooters and mounts the ACI on the left side of the mount to be visible when shooting. 7075 T6 Aluminum, Mil Spec Type III Hardcoat Anodized, tan or black. Weight .7 oz.

CONDITION ONE ANGLE COSINE INDICATOR MOUNT SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the CONDITION ONE ANGLE COSINE INDICATOR MOUNT by Badger Ordnance. This product is designed to enhance your shooting experience by allowing the attachment of the Sniper Tools Design ACI. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the product with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- If you suspect that the product is unsafe or defective, discontinue use immediately.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation:** Follow the installation instructions carefully to avoid improper mounting that could lead to accidents.
- **Compatibility:** Ensure that the ACI is compatible with your specific C1 mount configuration.
- **Orientation:** Install the ACI according to the designated left or righthand specifications to maintain visibility while shooting.
- **Weight Limit:** Be aware of the weight limit of your C1 mount to prevent overloading.
- **Environmental Conditions:** Avoid using the product in extreme weather conditions that may affect its performance.
- **Maintenance:** Regularly clean the ACI and mount to ensure optimal functionality.

Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the CONDITION ONE ANGLE COSINE INDICATOR MOUNT from its packaging. Inspect for any damage or missing components.
2. **Tools Required:** Ensure you have the necessary tools for installation, such as a screwdriver or wrench, depending on your mount type.
3. **Mounting the ACI:**
 - Identify the correct side of the mount for your ACI (left or right).
 - Align the ACI with the mounting points on the C1 mount.
 - Securely fasten the ACI using the provided screws and tools.
 - Ensure that the ACI is firmly attached and does not wobble.
4. **Adjusting Ride Height:**
 - Determine whether you require a high or low ride height.
 - Follow the manufacturer's instructions to adjust the height as needed.
5. **Testing:**
 - Once installed, test the ACI for stability before use.

- Make sure that it is visible and accessible while in the shooting position.

6. Usage:

- Use the ACI in conjunction with your shooting equipment as intended.
- Do not modify the ACI or mount in any way that could compromise safety.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the CONDITION ONE ANGLE COSINE INDICATOR MOUNT, please refer to the manufacturer's website or contact the appropriate customer service channels.

By following these safety instructions, you can ensure a safe and effective experience with your CONDITION ONE ANGLE COSINE INDICATOR MOUNT. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
