

M7 SCOUT FLASHLIGHT/SLING MOUNT - BADGER ORDNANCE M7 SCOUT FLASHLIGHT/SLING MOUNT BLACK

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Mounts](#)

The Badger Ordnance M7 Scout Flashlight Mount is designed to work with Surefire M300 and M600 series of flashlights as well as provide a semi rotational mounting point for QD push button sling swivels. This mount is designed specifically to work with laser aiming devices such as the ATPIAL/DBAL and all other issued aiming lasers. The mount allows clearance for the beams to operate without interference from the flashlight or the operator's hand. It is machined from 6061 Alloy and Mil Spec Type III Hardcoat Anodized. Weight: 1.27 oz.

M7 SCOUT FLASHLIGHT/SLING MOUNT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Badger Ordnance M7 Scout Flashlight Mount. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your product. Please read this manual carefully before use.

General Safety Guidelines

- Always ensure the flashlight mount is securely attached before use.
- Do not exceed the weight limit specified for the mount.
- Regularly inspect the mount and flashlight for any signs of wear or damage.
- Keep the mount and flashlight out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of flashlights and mounts.

Specific Safety Precautions for Use

- Ensure that the flashlight is compatible with the mount (Surefire M300 and M600 series).
- Be cautious of the flashlight beam direction to avoid eye injury.
- When using with laser aiming devices, ensure that the laser is properly calibrated and aimed.
- Avoid placing your hands or other objects in the path of the flashlight beam.
- Do not modify the mount or flashlight in any way that could compromise safety.

Instructions for Installation and Usage

Installation

1. **Prepare the Mount:** Ensure that the mount is clean and free of debris.
2. **Attach the Flashlight:** Align the Surefire M300 or M600 series flashlight with the mount and secure it tightly.
3. **Install Sling Swivel:** If using a QD push button sling swivel, attach it to the designated mounting point on the mount.
4. **Check Stability:** Ensure that the flashlight is securely mounted and does not wobble or move.

Usage

- Always use the flashlight in a welllit area when possible.
- When transitioning between environments, be aware of the flashlight's brightness setting to prevent blinding yourself or others.
- If using the mount with a laser aiming device, practice using the laser in a safe environment before operational use.
- Maintain a firm grip on the flashlight and mount to prevent accidental drops.

Disposal Instructions

- Dispose of the flashlight mount in accordance with local regulations for electronic waste.
- Ensure that any batteries used with the flashlight are also disposed of properly.
- Do not dispose of the mount in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding your Badger Ordnance M7 Scout Flashlight Mount, please refer to the EU contact point for product safety inquiries.

Remember to report any unsafe products or accidents to the appropriate authorities and check for recall updates on the EU's Safety Gate platform. Your safety is our priority, and we appreciate your cooperation in following these guidelines.
