

M7 SCOUT FLASHLIGHT/SLING MOUNT - BADGER ORDNANCE M7 SCOUT FLASHLIGHT/SLING MOUNT FLAT DARK EARTH

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Mounts](#)

The Badger Ordnance M7 Scout Flashlight Mount is designed to work with Surefire M300 and M600 series of flashlights as well as provide a semi rotational mounting point for QD push button sling swivels. This mount is designed specifically to work with laser aiming devices such as the ATPIAL/DBAL and all other issued aiming lasers. The mount allows clearance for the beams to operate without interference from the flashlight or the operator's hand. It is machined from 6061 Alloy and Mil Spec Type III Hardcoat Anodized. Weight: 1.27 oz.

M7 Scout Flashlight/Slings Mount Safety Instructions

Introduction

Thank you for choosing the Badger Ordnance M7 Scout Flashlight/Slings Mount. This product is designed to enhance your tactical experience by providing a secure mounting solution for your flashlight and sling. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always inspect the flashlight mount before use to ensure it is free from damage or defects.
- Ensure that the mount is securely attached to your firearm before use.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Direct Eye Exposure:** Do not shine the flashlight directly into your eyes or the eyes of others. This can cause temporary blindness or permanent injury.
- **Secure Mounting:** Ensure that the flashlight is properly secured in the mount to prevent it from falling or becoming dislodged during use.
- **Check Compatibility:** Only use the mount with compatible Surefire M300 and M600 series flashlights and QD push button sling swivels.
- **Use in Proper Conditions:** Avoid using the flashlight mount in extreme weather conditions that may affect performance or safety.
- **Do Not Modify:** Do not alter or modify the flashlight mount in any way. Modifications can compromise safety and performance.

Instructions for Installation and Usage

Installation

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a screwdriver if required.
2. **Prepare the Firearm:** Ensure that your firearm is unloaded and in a safe condition before beginning installation.
3. **Attach the Mount:**
 - Align the M7 Scout Flashlight Mount with the designated mounting area on your firearm.
 - Secure the mount using the appropriate screws or fasteners. Ensure they are tightened to prevent movement.
4. **Install the Flashlight:**
 - Insert the Surefire M300 or M600 series flashlight into the mount.
 - Ensure that the flashlight is properly seated and secured in the mount.

Usage

- **Adjusting the Flashlight:** If your mount allows for semirotational adjustments, carefully adjust the flashlight to achieve the desired angle without compromising the security of the mount.
- **Operating the Flashlight:** Use the flashlight according to the manufacturer's instructions. Do not exceed the recommended usage times to prevent overheating.
- **Cleaning and Maintenance:** Regularly clean the mount and flashlight to ensure optimal performance. Use a soft cloth and avoid harsh chemicals that may damage the finish.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and firearm accessories.
- Do not dispose of the product in regular household waste. Check for designated recycling or disposal programs in your area.

Contact Information for Further Support

For further support or inquiries regarding the M7 Scout Flashlight/Slings Mount, please reach out to the designated contact point as per local regulations.
