Loads Pistol Magazines Fast, Protects Fingers & Thumbs

Hand-held loader fills pistol magazines quickly and easily, so you spend less range time loading mags and more of it shooting. Smooth, positive operation protects fingers and thumbs while you load hundreds of rounds painlessly—as fast as one round per second. Also lengthens magazine life by reducing wear and tear on feed lips. Hold the magazine upright with the bottom resting on a solid surface. Place the loader over the top of the mag, press down lightly while squeezing the lever to depress the follower, drop in a round, and work the lever quickly to push it into the mag. Repeat the process until the magazine is full. Constructed from tough, reinforced, black polymer. Locks closed when not in use, so it takes up minimal space in pocket or range bag. UpLula fits single- and double-stack 9mm, .357 SIG, .40 S&W, 10mm, and .45 ACP magazines, plus some .380 mags. Will not load Glock 6-round single-stack .45 caliber, Smith & Wesson 7-round single-stack 9mm, or magazines with less than 8mm between feed lips. Will also need to purchase the UpLula Align Insert.

SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the SEMIAUTO PISTOL UPLULA MAGAZINE LOADER by MAGLULA LTD. This guide provides essential safety instructions and usage information to ensure safe and effective operation of your magazine loader. Please read this manual carefully before using the product.

General Safety Guidelines

- Always use the loader in a safe environment, away from children and unauthorized persons.
- Ensure that the loader is used only for its intended purpose: loading pistol magazines.
- Inspect the loader before each use to ensure it is in good condition and free from damage.
- Do not use the loader if it is damaged or malfunctioning.
- Always follow the manufacturer's instructions for your specific magazine type.
- Store the loader in a secure location when not in use.

Specific Safety Precautions for Use

- **Finger and Thumb Protection:** The loader is designed to protect your fingers and thumbs while loading. Always keep fingers clear of moving parts.
- **Loading Limitations:** The loader is not compatible with certain magazines, including Glock 6round singlestack .45 caliber and Smith & Wesson 7round singlestack 9mm. Ensure compatibility before use.
- **Age Restrictions:** This product is not intended for use by children. Keep out of reach of minors.
- **Use with Care:** Load magazines in a controlled manner to prevent accidents. Do not rush the loading process.

Instructions for Installation and Usage

1. Preparation:

- Hold the magazine upright with the bottom resting on a solid surface.
- Ensure the loader is clean and free from obstructions.

2. Loading Process:

- Place the loader over the top of the magazine.
- Press down lightly on the loader while squeezing the lever to depress the follower.
- Drop a round into the magazine.
- Work the lever quickly to push the round into the magazine.
- Repeat the process until the magazine is full.

3. PostUse:

- After loading, ensure the magazine is securely closed.
- Store the loader in a safe and dry place when not in use.

Disposal Instructions

- Dispose of the loader responsibly at a designated recycling or waste disposal facility.
- Do not dispose of the loader in regular household waste.

- Follow local regulations for the disposal of plastic products.

Contact Information for Further Support

For any inquiries regarding the safety and usage of the SEMIAUTO PISTOL UPLULA MAGAZINE LOADER, please refer to the manufacturer's website or customer support resources.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your SEMIAUTO PISTOL UPLULA MAGAZINE LOADER. Always prioritize safety and responsible use. Thank you for choosing MAGLULA LTD.
