

SIERRATAC PADDED SLING - SPIRITUS SYSTEMS SIERRATAC PADDED SLING COYOTE BROWN

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The SIERRATAC Sling, by Spiritus Systems. Customers have been asking Spiritus Systems for a sling for a long time, and they are pleased to have teamed up with SIERRATAC to provide you with one of the best slings on the market. The Sling was developed, and field tested by professional end users in both the LEO and Military realms. Every detail of the sling was meticulously thought out to provide the end user with an optimal solution for securing their weapon. Make no mistake, this sling was designed with real world operations in mind. Notable Features SIERRATAC Proprietary Billet Aluminum Slider allows for quick tension adjustment to the sling without the inherent danger of a tail snagging other items. The slider acts as a solid indexing point under stressful or dark conditions. The slider does have machined slots that allow the user to add a small pull tab to it if desired. Premium foam padding for added comfort during extended operations or training events. The padding encasement is constructed out of 500d Cordura and has a minimal seam that ensures that there are no rough edges that will rub the users neck raw. We do not use biding to close the encasement which can rub your neck raw after prolonged usage. Open looped ends allow the user to add whatever mounting hardware is needed to fit their needs.

SIERRATAC Padded Sling Safety Instructions

Introduction

Thank you for choosing the SIERRATAC Padded Sling by Spiritus Systems. This sling is designed to provide you with a reliable solution for securing your weapon during various operations. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always inspect the sling before each use to ensure it is free from damage.
- Ensure that the sling is used in accordance with the manufacturer's instructions.
- Do not exceed the weight limit of the sling; check specifications for details.
- Keep the sling away from sharp objects, heat sources, and excessive moisture.
- Store the sling in a cool, dry place when not in use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the sling is properly adjusted to fit your body and weapon securely.
- Avoid using the sling in environments where it could become entangled with other equipment.
- Be cautious when adjusting the tension of the sling; ensure that you do not pinch your fingers.
- When using the sling in lowlight conditions, familiarize yourself with its features to avoid mishaps.
- If the sling shows signs of wear or damage, discontinue use immediately and replace it.

Instructions for Installation and Usage

1. Installation

- Identify the mounting points on your weapon where the sling will be attached.
- Use appropriate mounting hardware to secure the sling to the weapon.
- Ensure that the attachment points are tight and secure before use.

2. Adjusting the Sling

- To adjust the tension of the sling, locate the SIERRATAC Proprietary Billet Aluminum Slider.
- Pull the slider to increase or decrease tension as needed.
- Ensure that the slider is firmly in place before proceeding.

3. Using the Sling

- Place the sling over your shoulder or across your body as per your preference.
- Ensure that the weapon is securely held by the sling and does not shift during movement.
- Practice using the sling in a safe environment to become familiar with its operation.

4. Maintenance

- Clean the sling with a damp cloth to remove dirt and debris.
- Inspect the padding for any signs of wear and replace if necessary.
- Store the sling properly to prevent damage when not in use.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.

- If the sling is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the sling in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For safety inquiries or additional support regarding the SIERRATAC Padded Sling, please refer to the manufacturer's website or contact your local retailer.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using your SIERRATAC Padded Sling.
